Even with the kindest intentions, a man may unwittingly commit the most cruel act of his life through neglect of revising his Will. The widespread depreciation of assets and changing standard of values experienced to-day frequently render a Will made a few years ago positively harmful. As an instance a Will made ten years ago recently came into effect. Certain sums in cash were devised to Charities and the residue bequeathed to the Testator's wife and family. Since that Will was framed the value of the Estate had diminished, and this resulted in there being practically no residue for Testator's wife and family, necessitating an appeal to the Court for adjustment.

Every man should therefore revise his Will in accordance with to-day's conditions. Consult your Solicitor to-day and appoint The Guardian Trust your Trustee and Executor. A very helpful Booklet on Wills and administration will be sent you on request and without obligation.

 A STORY AND STUDY OF MASONRY  
 By  
 J. FORT NEWTON, Litt.D.

It is a magnificent work, its great value being that it is not only a standard history of Masonry, but is intensely interesting to non-Masons.

## BRIGHTER MEETINGS.

IT cannot be denied that there are many men who grow weary of Masonry; and who after having busied themselves in it for some years cease to take any further interest in it. No doubt some of these men would grow weary of any pursuit or avocation, because they lack staying qualities. Others drop out of Masonry for good reasons, such as ill-health, family obligations and the like. But when full allowance is made for defections which imply no reproach to the conduct of the Craft, the fact remains that year by year useful men leave Masonry whom Masonry ought to have held. When we speak of "Masonry" we mean, of course, the conduct and management of our Craft Lodges. "Masonry" in the abstract, as meaning a body of ethical and special principles, has no faults. If a person is not attracted by its tenets that is his misfortune. A good story is told of a tourist travelling in Europe who, visiting a famous picture gallery, -told the guide who accompanied him that he didn't think much of the pictures. "Sir," said the guide, "you don't come here to judge the pictures but to be judged by them." This is equally true of Masonry. He to whom Masonic principle and precept make no appeal is already judged. He lacks something that he ought, as a responsible citizen, to possess. We cannot say more or less than that.

But there are those to whom the Masonic art does indeed appeal, but who none the less grow weary of our assemblies. They are worth holding, yet we let them slip. What is the reason? Candour compels us to answer that the fault is in ourselves. Too often our proceedings are conducted dully—and drawn out interminably. A meeting begins, for example, with a wearisome dragging out of preliminary business which is of little importance, and with which the Master or the Standing Committee could easily have dealt. Half an hour, or perhaps even an hour, is solemnly given over to matters that could have been disposed of in ten minutes at the outside. Visiting brethren wonder when they are going to be admitted. Many of the brethren inside the Lodge grow weary, look at their watches, fidget and begin to speculate whether it will be ten o'clock or half-past ten before they get out of the Lodge. An entirely wrong atmosphere is created for the solemn business of the evening. Then, when the ritual work is ended (and often dully ended) the proceedings in the Refectory do nothing to give a bright conclusion to the evening's gathering. Speaker after speaker gets up, obviously without preparation, and emits hoary platitudes about brotherly love. While they speak, feelings not of brotherly love, but of unbrotherly hate, are being generated among their listeners—hate at dullness, stupid repetition, fulsome and insincere praise, and rehashing, in indifferent language, of the most obvious truths expounded in the ritual. There may or may not be a song or two interspersed amid all this weariness. But when the meeting closes at eleven or half-past eleven o'clock, what wonder is it that many brethren go away with a sense of boredom, and a feeling that an evening has been thoroughly wasted. How much better, they think, would it have been to stay at home, and listen to that radio concert, or read that new book!

Now it is not suggested that the foregoing is a faithful picture of a typical meeting. If it were, Masonry would have already died. But every reader will see that there is more truth in it than there ought to be. Let the brother who is reading this article pause and ask himself whether he has ever been bored at a Masonic meeting. And then let him ask himself, Why? The remedy, which is fairly simple, is very largely in the hands of the Masters and Past Masters of the Lodges. Let us conclude with a few suggestions. First, let it be a rule that the degree work be concluded not later than a quarter past nine (this is on the assumption that the Lodge tyles at 7.30). This may involve a very brisk despatch of general business. So much the better. Hardly anyone is interested in it. In the Refectory let the proceedings be bright, and cheerful, with plenty of good music and song. Community singing is the last refuge of the desperate. Grown men don't wish to waste their time singing in unison "Annie Laurie," "A Bicycle Built for Two," and the like. Let singers and pianists be chosen for their skill. If there are no really capable vocalists or instrumentalists among the Lodge members, let the Master arrange with other brethren, even for a consideration, to come in from outside. The best is not too good for the Lodge. Less than the best procurable is an insult to the Lodge. As for the speeches, let them be brief and bright. It would be a good rule to have a time limit of five minutes, to be departed from only in the most exceptional cases. Let the Master see that those of his brethren who are to propose toasts have their

speeches prepared. Let them be written out and submitted to the Master a week at least before the meeting. It will be surprising how much latent talent will be disclosed by this precaution. Most brethren do not realise that good speaking is the result of good writing. And above all, let there be no homilies in the refectory—no preaching about the aims and objects of Freemasonry. The brethren know all that. They want brightness, cheerfulness and mirth in the Refectory—not poor paraphrases of our stately ritual. As a last recommendation, let the meeting end not later than eleven o'clock, if possible sooner, so that brethren may reach their homes at a seemly hour, and Ifs; ready after a full night's rest for the tasks of the following day. Let the aim be to send each brother away wanting more and not less of Masonic activity.

Our Craft is too great an institution to be suffered to degenerate into machinery of boredom. Let us see to it that our assemblies, in their entirety, stimulate the interest and satisfy the intellect of the brethren.

## News and Notes.

---

The Annual Communication of Grand Lodge will be held in the Concert Chamber of the Town Hall, Dunedin, on Wednesday, 22nd instant, at 10 a.m. The installation of the M.W. the Grand Master will take place in the Town Hall, at 7 p.m.

We very much regret to record the death of R.W. Bro. Sir Arthur S. Bankart, Dist.G.M., E.C., Auckland District, on Saturday, 21st October. An obituary notice referring to his Masonic career will appear in our next issue.

We regret to notice that our esteemed contemporary, "The New South Wales Masonic Journal," has ceased publication, principally owing to the difficulty in collecting subscriptions from a large number of subscribers who neglected to honour their obligations. The withdrawal of this journal is a distinct loss to the Masonic community in Australasia.

On account of pressure on our space we very much regret that many contributions had to be omitted.

#### ELECTION OF GRAND MASTER.

Most Worshipful Bro. Charles Bathurst, Baron Bledisloe, has again been unanimously chosen to fill the office of Most Worshipful Grand Master, and it now only remains for Grand Lodge as a body to confirm the choice of the Craft.

The scheme of Distribution of the Elective Officers of Grand Lodge appeared in the October "Craftsman." Alterations in the Scheme of Distribution have become necessary in consequence of W. Bro. H. A. Lamb, who was proposed for the Office of Grand Pursuivant, having been selected to fill the position of Grand Secretary. The Board recommends that the name of W. Bro. C. D. Morpeth be substituted for that of Bro. Lamb as Grand Pursuivant, and that W. Bro. David Parnell fill the office of Grand Steward for which Bro. Morpeth was previously recommended.

#### NECROLOGY.

It is with regret that the Board records the demise of a Grand Officer and Past Grand Officers as follows:—

#### MASONIC TEMPLES.

During the year the following works have been carried out:—

Auckland District.—Lodge Plunket, No. 163, has considerably added to the appearance of its property by draining and improving the Lodge grounds, and erecting a stone wall on the street frontage. The lighting, etc., in the lodge-room has also undergone improvements. Lodge Te Aroha, No. 52, has carried out renovation work, while Lodge Waipa, No. 119, has extended its lodgeroom some twelve feet and refurnished same. The refectory has been similarly extended. The lodgeroom of Lodge Hamilton, No. 291, has been very satisfactorily and effectively renovated, painted, and redecorated; new carpets have been made and well-designed tracing boards provided. The lodgeroom has been very much improved, and now presents a very pleasing appearance.

Hawkes Bay District.—The Scinde Lodge, No. 5, has completed the erection of its new building on the old site to replace the building destroyed by the earthquake in February, 1931. The new structure is as nearly earthquake-proof as it is possible to make the building. Ventilation and heating have received special attention. The building which will be occupied by Lodge Napier, No. 268, as well as by Scinde Lodge, No. 5, was opened on September 19 by the Prov. Grand Master in the presence of a very large gathering of brethren.

Taranaki District.—No actual work has been carried out in this district, although Lodge Ngamotu, No. 48, has given instructions for plans to be prepared for a new temple.

Nelson and Marlborough District.—Lodge Motueka, No. 117, has made alterations to the refectory, it having for some time proved too small for large gatherings.

Otago District.—The brethren of Oamaru have built a very fine temple with large refectory and all necessary anterooms. It is a splendid modern building, and ready to be consecrated and dedicated free of any encumbrance. The members of Lodge Maori, No. 105, Ravensbourne, are taking steps to build their own temple. Plans are now being prepared for submission to the Lodge, when tenders will at once be called. The alterations to the Masonic Hall in Moray Place, Dunedin, which were referred to in the last Annual Report, were duly completed, and the renovated building has been much appreciated.

#### KIRKPATRICK MASONIC INSTITUTE.

The Kirkpatrick Masonic Institute at Nelson still continues to be efficiently managed by the Board of Governors under the chairmanship of W. Bro. C. M. Collins. There are at present 19 girls in residence. The Board has, with its restricted income, been compelled to carefully watch the expenditure, but the result of the year's operations is reported to be proving quite satisfactory. There are at present vacancies for five girls in the Institute,

#### RECOMMENDATION FOR CONFERRING PAST GRAND RANK UPON CERTAIN MEMBERS OF GRAND LODGE.

The Board has pleasure in recommending Grand Lodge in terms of Rule 14, Book of Constitution, to confer Past Grand rank (*honoris causa*) upon the following members of Grand Lodge:—

W. Bro. John Joseph Pickett, P.G.Supt. Works, of Haeata Lodge, No. 272, Hastings. Bro. Pickett was initiated in Lodge Manawatu Kilwinning, No. 727, S.C., Palmerston North, in 1888. It is thirty-six years since Bro. Pickett held active office in Grand Lodge, and at his advanced age (80 years) it would be unfair to ask him to undertake the duties connected with an active appointment. The Board considers that some advanced honour should be conferred to mark this Brother's Masonic Jubilee, and bearing in mind his exceptional services considers that the rank of Past Grand Warden (Junior) should be granted, and recommends accordingly.

W. Bro. Arthur Charles Andrews, P.G.Supt. Works, of Lodge Christchurch, No. 91, Christchurch. Bro. Andrews was initiated in Lodge Christchurch, No. 91, on February 27, 1894. It is considered that his long and consistent services deserve further consideration at the hands of Grand Lodge, but his age (73 years) is against his appointment to active office. It is proposed to confer the rank of Past Grand Warden (Junior).

W. Bro. Edmund Goodbehere, P.G.S., of Lodge Feilding, No. 41. This brother was initiated in Lodge Feilding, No. 41, on January 11, 1892, and was installed as Master in 1897. He has been a member of the Craft for 41 years, and through advancing age cannot be recommended for active office in Grand Lodge. The rank of Past Grand Deacon is recommended.

W. Bro. Charles Henry Dement, P.G.S., of Hinemoa Lodge, No. 122, Wellington. Bro. Dement was initiated in N.Z. Pacific Lodge, No. 2, on November 25, 1897. He is now 79 years of age and poor health prevents his filling an active office in Grand Lodge. The rank of Past Grand Superintendent of Works is recommended.

W. Bro. William Thomas Hildreth, of Lodge Karori, No. 247, Wellington. Bro. Hildreth was initiated in Lodge St. Andrew, No. 32, on October 21, 1895. He is now 77 years of age, and is too old to receive active office. The rank proposed is that of Past Grand Bible Bearer.

W. Bro. Frederick George Roe, of Lodge Horowhenua, No. 136, Levin. Bro. Roe was initiated in Lodge Otaki, No. 72, on October 25, 1901. Member and first Senior Warden of Lodge Horowhenua, No. 135, in 1905, and a charter member of Lodge Mangahao, No. 231, in 1922, resigning therefrom in 1932. Since his initiation Bro. Roe has been actively connected with the Craft, and his conduct has been closely in accord with that teaching in which he has been actively engaged for over 30 years. His age is 72, and poor health prevents his accepting active office. The rank of Past Grand Bible Bearer is recommended.

W. Bro. Richard Scadden, of St. Cuthbert's Lodge, No. 144, Collingwood. This brother was initiated in St. Cuthbert's Lodge, No. 144, on December 23, 1905. He is now well over 70 years of age and on this account it is unlikely that his past services will be recognised by active office in Grand Lodge. The rank of Past Grand Bible Bearer is recommended.

W. Bro. Thomas John Sherborne, of Lodge Harvey, No. 49, Gore. Bro. Sherborne was initiated in Lodge Southern Cross, No. 9, on March 6, 1889. His age is 76 years, and he is therefore too old to undertake the duties that active office in Grand Lodge would entail. The rank of P.G. Sword Bearer is recommended.

In pursuance of Rule 14, the Board expressly declares that in its opinion each of the foregoing brethren merits the specified honour by reason of special service to the Craft, and that by reason of age and infirmity each is not likely to obtain advancement in Masonic rank in any other way.

#### REVISION OF THE RITUAL AND FUNERAL CEREMONY.

The work of the Revision of the Ritual has been proceeding steadily during the year. R.W. Bro. H. H. Seaton, P.G.W., Convener of the Revision Committee, reports as follows :—

"The revision of the Ritual of the three degrees is now substantially finished, and it is hoped to forward the completed work, together with the Committee's final report, within the next few weeks—

"The Revision of the Funeral Ceremonies is completed, and the Committee has pleasure in submitting to the Board of General Purposes the revised text herewith.

"It will be necessary to hold a final meeting, at which all members of the Revision Committee shall be present, to consider the work in its completed form.

"The Committee wish to tender their sincere thanks to the large number of brethren who responded to the request of the Board of General Purposes for suggestions."

The thanks of Grand Lodge are due to the brethren composing the Revision Committee, who have worked assiduously for several years at this work.

As it would be a matter of impossibility for the brethren at the Annual Communication to consider the revision which has taken place, it is recommended that Grand Lodge grant authority to the Board of General Purposes to issue the revised Ritual and Funeral Ceremony after they have been fully considered and the alterations made duly approved.

#### NEW LODGE.

During the year a Warrant was granted by the M.W. the Grand Master for "The Hawkes Bay Research Lodge, No. 305." The Consecration and Dedication Ceremony took place at Hastings on Tuesday, August 1, 1933, in the presence of a very large gathering of the Craft. The M.W. the Grand Master conducted the ceremonial and had the assistance of a large number of Officers of Grand Lodge.

#### BRETHREN UNABLE TO MEET THEIR OBLIGATIONS TO LODGES.

The Board has decided to ask Grand Lodge to continue for another twelve months the authority given last year for the deferment of the payment of Grand Lodge dues in respect to those brethren who are either out of employment, or have had their incomes so diminished that they have been unable to meet their obligations to their Lodges.

#### SUPREME GRAND ROYAL ARCH CHAPTER OF NEW ZEALAND.

Some months ago the Board of General Purposes was approached and asked to receive a deputation which desired to lay before the Board certain proposals which had been adopted at the last Annual Convocation of Supreme Grand Chapter in reference to the introduction of a peripatetic system of government, and a deputation consisting of M.E. Comp. Dr. R. Tracy Inglis, Grand Z., and M.E. Comp. J. D. Webster, Past Grand Z., was received. M.E. Comp. Tracy Inglis explained fully the object of the visit, and read the following resolutions which had been passed at the last Annual Convocation of Supreme Grand Chapter:

- (1) That in future the office and executive management of Grand Chapter be located in turn in each of the four principal cities in the Dominion under a peripatetic system, provided that the total annual cost to Grand Chapter, of salaries, rent, and removal of offices, shall not exceed the present reduced cost of approximately £350.
- (2) That the Grand Lodge of New Zealand be approached with a proposal for amalgamation of the offices of Grand Scribe E. and Grand Secretary, upon the basis of an annual payment by Supreme Grand Chapter for all secretarial and clerical work and rent.
- (3) That a Special Committee consisting of the incoming Grand Principal, the Deputy Grand Principal, and certain other Companions, of which the First Grand Principal shall be the convener, be appointed to negotiate with the Board of General Purposes of Grand Lodge with power to complete an agreement to carry the previous resolutions into effect; or, if such cannot be done, to complete an alternative scheme to put resolution No. 1 into effect.

Comp. Tracy Inglis then submitted certain proposals for the consideration of the Board. These were fully discussed, some of them being adopted at the time, while others were held over for further information and were dealt with at a subsequent meeting of the Board, the complete proposals as agreed upon being as follows:—

1. Grand Lodge to do all secretarial and office work for Grand Chapter.
2. Grand Secretary, if qualified, to be Grand Scribe E.
3. Office of Grand Lodge to be the office of Grand Chapter.
4. Grand Chapter to hand over its records, books, etc., to Grand Lodge when arrangement commences.

5. Grand Lodge to transport such records, books, etc.. on its removals with its own records.
6. The style of book-keeping and recording the business and transactions of Grand Chapter shall be the style at present employed by Grand Chapter, or such style as it may from time to time adopt.
7. Grand Chapter to pay a fixed annual sum for above services," including cost of removal, which Special Committee suggests should be £300 per annum, payable in quarterly instalments.
8. Disbursements necessarily or properly incurred by Grand Lodge on behalf of Grand Chapter (e.g., stationery, stamps, etc.) to be charged to Grand Chapter.
9. Agreement to be determinable by either party on twelve months' written notice to the other party.

The Board now lays these proposals before Grand Lodge, and, if members are willing to give the Board power to enter into an agreement with Grand Chapter on the lines mentioned either with or without modification, the Board recommends that the motion which appears on the Agenda Paper should be adopted.

The Grand Z. has advised the Board that, if Grand Lodge grants the authority mentioned, his Special Committee, on its part, will submit the proposed agreement to Grand Chapter at its Convocation to be held on March 7 next for its consideration and approval.

#### RETIREMENT OF R.W. BRO. COLONEL GEORGE BARCLAY, GRAND SECRETARY.

It is with deep regret that the Board reports that this Communication terminates R.W. Bro. Barclay's period of service as Grand Secretary. R.W. Bro. Barclay was originally an English Mason, and his services to that Grand Lodge were recognised by the rank of Past Grand Deacon of England being conferred upon him. He also holds the rank of Past Third Grand Principal in the Grand Royal Arch Chapter of New Zealand, and that of Past Principal Grand Sojourner of the Grand Chapter of England, and has held high office in other Masonic bodies. His first office in Grand Lodge was that of Senior Grand Warden in 1911; on January 6, 1920, he became assistant to the then Grand Secretary, the late M.W. Bro. Malcolm Niccol, and from May, 1920, to May, 1921, he carried out the duties of Acting Grand Secretary. He was appointed Grand Secretary in May, 1921, and has therefore held the office for twelve and a half years. It is universally recognised that he has filled this office with distinction, and has always been willing to place his services at the disposal of Lodges and brethren throughout New Zealand at any time. He was also a founder and first Master of two of our Lodges. In addition to the regular duties of his position, he has given numerous lectures to a large number of Lodges all over the Dominion, and has filled the office of Master of two of the Research Lodges. As some mark of appreciation of Grand Lodge for his services he was granted the rank of Past Deputy Grand Master in 1929. He was one of those who inaugurated the N.Z.E.F. Masonic Association, which was of so much service to our soldier Freemasons, presiding at its first meeting and becoming its President. The Board will submit at a later stage of the Communication a recommendation for some tangible mark of the appreciation of Grand Lodge and the brethren generally for his past services. In the meantime the Board submits the following resolution for adoption by Grand Lodge and insertion in the minutes:—

"Grand Lodge places on record its deep appreciation of the valuable services so ably and conscientiously rendered to it over a period of many years by R.W. Bro. Col. George Barclay, O.B.E., V.D., P.D.G.M., particularly during the past twelve and a half years as its Grand Secretary. Grand Lodge expresses the hope that he will live many years to enjoy his well-earned retirement, and that he will continue to take the same keen interest in the Craft that he has always displayed."

#### NEW GRAND SECRETARY.

R.W. Bro. Col. G. Barclay, P.D.G.M., having tendered his resignation as from the date of the Annual Communication on November 22 next, steps were taken by the Board with a view to the appointment of a successor, and the M.W. the Grand Master, with the assistance of the Special Committee provided for in the Constitution for this purpose, has selected W. Bro. Henry A. Lamb, P.G.S., of Lodge Waterloo, No. 13, Wellington, for appointment to the position, and he will be duly invested at the Annual Communication. The salary decided upon by the Board for the office was £600 per annum.

#### MISCELLANEOUS.

The Board recommends Grand Lodge to fix the levy at 1/- for next year. •

The Board recommends that the 1934 Annual Communication be held in the City of Wellington.

The Board recommends that the remuneration of the Auditor for 1933-34 be the same as formerly, viz., 50 guineas. Bro. A. M. Seaman, F.P.A.N.Z., is the retiring Auditor.

## REVIEW OF PROCEEDINGS OF FOREIGN GRAND LODGES.

---

(Published by the Authority of the Grand Lodge of New Zealand.)

### DISTRICT OF COLUMBIA—I532.

122nd Annual: Washington: December 21st, 1932.

Grand Master: M.W. Bro. R. A. Bogley, Washington.

Grand Secretary: M.W. Bro. J. C. Keiper, P.G.M., Washington.

No. of Lodges, 44. Membership, 22,478. Nett loss, 299.

In addition to the three Stated Communications the Book of Proceedings contains the reports of several Special Communications, which were held in connection with the dedication of the Washington Masonic Memorial Temple.

The dedication of the Memorial was made part of the programme for "Masonic Week," May 8-14, so designated by the United States Bicentennial Commission. After perusing the Masonic Week Programme and the inspiring addresses the writer is greatly impressed with the splendid exhibition of loyalty and devotion to Freemasonry. From the larger point of view it visualised not alone the universality of Masonry, but also the wonderful possibilities which are within its grasp whenever its united strength and influence are applied to the attainment of any purpose.

The Grand Master reported that the morale of Freemasonry in the District of Columbia is higher than he has ever known it, and the condition of the Fraternity is excellent. The individual must indeed be the most hardened pessimist who could contemplate the wonderful spirit of the brethren during Masonic Week

without having his faith in Masonry renewed and his confidence in its power to attain any goal immeasurably strengthened.

The Grand Master deservedly praised the work of the Worshipful Masters' Association. This Association formed his cabinet, as it were, and from the general condition of the Craft it is evident that the Lodges have been well and efficiently governed by earnest, capable and sincere brethren.

The Grand Master conferred with the presiding officers of all organisations basing their membership upon Masonic affiliation. This conference undoubtedly brought about a better understanding and has resulted in absolute harmony and close co-operation among and between all of these organisations.

The Grand Master did not believe that the usual plea of hard times explained the nonpayment of dues situation, as some of these dated back to long before any such situation existed and when money was plentiful. Nowhere else had they seen so thorough a treatment of this question. He believed the wastage was heavier than necessary, and that it could be reduced considerably by earnest and intelligent effort. He found there was no uniform method of treating the matter; that there was a lack of understanding and even indifference on the part of the constantly changing officers in the Lodge, with the result that the already overburdened Secretary was left to cope with the difficulty; applicants for admission were not impressed as they should be by the financial obligations they assumed in getting into Masonry. Each one should be told clearly what was expected of him, before his petition was accepted; every initiate should acquire a reasonable understanding of everything that concerned the Fraternity to which he had been admitted; and he should not be left to his own devices until the best possible instruction had instilled in him a proper veneration and love for the Craft. A number of amendments to the constitution were presented to remedy the enumerated causes along the lines of the suggested solutions.

The Grand Master considered that if the members could realise the far-reaching effect of suspension for N.P.O.D., such dropping would be rare. Did he but know that, although not so intended, the fact that he had been dropped frequently reached officials of banks, merchants, his employer and his associates in the business and social world? It is easy to picture the effect on these men of a notice that the brother had failed to meet his financial obligations to his Masonic Lodge.

A rather complicated but fundamental question was tackled and disposed of in a most lucid manner. It concerned the serious fact that the birthrate was decreasing. Immigration was decreasing. The death-rate was slowly rising. Economists and actuaries, at a recent convention, reached the conclusion that the population would grow with progressively less rapidity from year to year, with the result that it would become stationary before long, there to remain for a while, and then inevitably make a gradual decline. This would mean a readjustment of business generally, the increase of sales no longer to be counted upon. Applying the thought to Freemasonry, we must expect that the field from which petitioners were drawn would become more and more limited, and that a serious endeavour should be made to improve the character of the membership to enable all to meet the conditions they would have to cope with.

The concluding remarks of the Grand Master were very helpful, all pointing to the ever-present need of reliance on the Almighty and Eternal God, thereby fixing faith upon eternal things, while throwing off doubts and lesser truths which impeded progress. Masonry and infidelity had nothing in common. Custom and popular opinion dared not turn us away from the Great Light. God was on His throne. We worked and served in His name and under His inspiration. When Masons no longer recognised their obligation to God, they would no longer recognise their obligation to humanity. Masonry in the heart was the heart of Masonry. The heart must come under the conquering sway of T.G.A.O.T.U., who alone would bring us to recognise our sacred obligation. May we never cease to follow the Light that comes from Him.

A Special Communication was held for the purpose of re-enacting the ceremonies of laying the corner-stone of the National Capitol. It was the 139th anniversary of the laying of the original stone. And to make it more realistic the brethren were all dressed in colonial costume.

The Book of Proceedings is most interesting, and it is impossible in such a short review to do justice to all the activities of this Grand Lodge.

### TENNESSEE-1933.

119th Annual Communication: Nashville, January 25th-26th, 1933.

Grand Master: M.W. Bro. W. P. Chandler, Box 318, Knoxville.

Grand Secretary: R.W. Bro. T. E. Doss, 100-108 Seventh Avenue, Nashville.

No. of Lodges, 441. Membership, 44,501. Loss, 3,461. New Zealand was represented.

Before commencing business, the law governing the attendance of representatives on the sessions of the Grand Lodge, the law in regard to furnishing information of the Proceedings to newspapers, and the resolution adopted condemning illegal and unmasonic electioneering, were read as provided by law.

The Grand Master chiefly confined his visitations to group meetings, and he feels assured that these meetings have been very valuable to the Craft. They were well -attended and full of interest.

By request of the United States Government the Grand Master laid the corner-stones of a U.S. Court Building and -a Post Office Building.

Fifty more beneficiaries have been taken care of at a smaller expenditure than ever before. Grand Lodge is now caring for 404 beneficiaries, of this number 136 are in the Masonic Home.

From the report of the Committee on Education we take the following:

"We are confronted to-day as never before with insidious influences preying upon our people through ignorance and prejudice. Communism with cunning propaganda and telling effect has bored its way into our labouring masses. They have penetrated our schools—yes, our colleges too with a subtle philosophy that appeals with emotional sophistry, to those who feel any change in conditions will always be for the better.

"Shall we sit idly by and remain deaf to these complaints of discontent, without an effort to do our part to uplift and regenerate mankind?

"Shall we not endeavour to inspire a new citizenship, worthy of our Institutions?

"Masonry **must** as ever, more vigorously act as a vanguard—holding high the torch that lights the way, and enlightens the people to the dangers which surround us.

"Masonry **must** always see to it that the sources of our educational system be freed from pollution and thereby prevent the germs of disintegration from invading our commonwealth. Masonry must see to it that its glorious history in support of public education be not dimmed by apathy and indifference, but be ever on the alert in an effort to build up a true system of education which shall not only be a bulwark of our liberties, but proof against the assaults of any and all enemies of true public education. Masonry **must** ever be the beacon light that will lead our people out of the morass of stupid fatalism, gloomy despair, and corroding ignorance, to a citizenship of loyalty to the Government of the country, — our country in which we live.

"Starting with the inculcation of patriotism, it should be the aim of every Mason to align himself with every movement for National, State and City betterment.

"We are standing on the threshold of a partly opened door; it leads to higher thinking, and to knowledge more and more. We come to-day as Master Masons tremendously interested in the perpetuation and advancement of that great Institution.

"We firmly and sincerely believe that the world to-day is in greater need of the practice and perpetuation of these ideals, and the maintenance of this spirit of inspiration than at any time in history."

Published in the Book of Proceedings is the Constitution and the Edicts of the Grand Lodge as amended in 1933. We find that Master Masons are eligible for the offices of Grand Chaplain, Senior Grand Deacon, Junior Grand Deacon, Grand Marshal, Grand Sword Bearer, Grand Steward, Grand Pursivant, and Grand Tyler. That no Lodge hereafter created, either by dispensation or charter, shall bear the name of any living person. That Lodges are prohibited from receiving a lecture on any of the degrees of Masonry from itinerant lecturers, except such lecturer present proper authority from the Grand Master. Lodges are not permitted to initiate, pass or raise more than one candidate at the same time. That no work or other business of the Craft shall be performed in any Lodge below the degree of Master Mason, except lecturing, examining of

candidates for advancement, conferring the Degree of E.A. or F.C., or for the reception of testimony and the trial of an E.A. or F.C.

153rd Annual Communication: Stockholm, March 19th. Grand Master: M.W. Bro. H. M. King Gustaf.

Deputy Grand Master: R.W. Bro. H.R.H. Crown Prince Gustaf Adolf.

Grand Secretary: R.W. Bro. Y. a Wisen, Stockholm.

No. of Lodges, 51 (4 Provincial, 15 St. Andrew, 22 St. John). Membership, 23,291. Nett gain 114. •

Considering that Sweden had its share in the world-wide financial depression and suffered the larger part of the huge losses caused by the crash of the Kreuger organisation, the gains made by Grand Lodge both in members and in the support given by the brethren to the many benevolent funds, is most gratifying. The new Children's Home at Blackeberg quite evidently appeals deeply to the hearts of the brethren.

**DRAPERS,**  
161-163 Cuba St, Wellington

An interesting celebration was the twentieth anniversary of the founding in Stockholm of a Society of Masonic Children. All the members at one time were residents of the Masonic Orphanage of Stockholm. This Orphanage is believed to be the oldest institution of its kind in the world. It was opened in 1753, and at present takes care of about two hundred orphans. The Society was formed for mutual aid along the customary lines. The celebration included a visit to the Freemasons' Hall, where the members were given a hearty reception and afforded opportunity to inspect the building and learn the history of the Swedish Craft. The reception of the distinguished delegation of the United Grand Lodge of England, headed by the Pro Grand Master, M.W. Bro. the Rt. Hon. Lord Amptill, was considered the outstanding event of the year.

A number of articles, written for the purpose of trying to arouse prejudice against Freemasonry, were published in an obscure periodical scattered free of charge over the country. But the thinking people paid no attention to them. The fact that H.M. the King was the head of the Order was enough to convince them that the teachings and activities of the Craft could not possibly harbour anything disloyal to the civil order.

On September 19th, 1932, the brethren commemorated the seventieth birthday of Admiral Lindman, who has been an outstanding leader of the Craft for many years. He was made a Mason in 1899, and ten years later was advanced to the Tenth Degree, making him Knight-Commander of the Red Cross. His sound judgment and wholehearted devotion to the interest of the Craft have made him a power in the Councils of Freemasonry. As the Chancellor of the Grand Lodge he is next in the official station to H.M. the King, and H.R.H. Crown Prince Gustaf Adolf. Two medals were struck in his honour.

### NORWAY, 1933.

Grand Master: M.W. Bro. Hans Johndal Roenneberg, Oslo.

Grand Secretary: R.W. Bro. E. Lowig-Hansen, Oslo.

Two Prov. Grand Lodges, six St. Andrew Lodges, nineteen St. John Lodges, and eighteen Masonic Unions. Membership 10,143. Nett gain 97.

The nett increase of members during the past five years, 1927-1932, has been 900 or an average of 180 a year. During the five preceding years the increase was more than 2,200, or about 440 a year. The decrease of candidates during the more recent years is ascribed to the economic crisis which has been felt very acutely in Norway. What is troubling the brethren most is that the charities are beginning to suffer; the subscriptions shrinking while the need for relief is increasing. Grand Lodge has been obliged to make necessary appropriations from the General Fund to meet the demands made upon the Board of Benevolence.

A Lodge was given permission to meet in another town besides its own locality. This daughter Lodge is not independent, and is really a branch of the Mother Lodge. The Wor. Master is the Deputy Master of the mother Lodge. If at any time complete independence is wanted a separate charter can be obtained.

The Grand Visitor, whose duty it is to inquire into the workings of the Lodges on behalf of the Grand Master, inspected during the year the Lodges of Oslo. Seemingly the work of inspection is very thorough for we learn that only two or three Lodges are visited in one year and that it takes ten years to visit and inspect all of them.

The Grand Librarian felt compelled by weak eye-sight to resign his office to which for over a quarter of a century he had given diligent work. His successor, Bro. Powell Heegaard, is a Professor of the University of Oslo. The library contains five thousand volumes, among which are some of exceptional value.

The Lodge Nordlyset (Northern Light) of Trondhjem, recently celebrated its fiftieth anniversary. The occasion was attended by the M.W. Grand Master and a number of members of his staff. The Secretary of the Lodge prepared an historical memorial volume. The festival banquet following the commemoration was enjoyed by about three-hundred brethren.

As reported previously, there is in Norway a Grand Lodge which calls itself "Polarstjernen," and which has its headquarters at Trondhjem. It was formed by regular Lodges, and, recently the Grand Lodge of Norway conceded to the Lodges of Polarstjernen approbation as having been constituted regularly by charters from lawful Masonic authority. Added to this limited recognition is a concession by which Brothers of Lodges under both Grand Bodies may visit with one another.

Grand Representative of N.Z.: W. Bro. H. C. Heitmann, Oslo.

Grand Representative at N.Z.: R.W. Bro. J. K. Hornblow, P.G.W., Foxton.

### VISIT OF THE GRAND MASTER TO WELLINGTON ROSE CROIX CHAPTER, No. 91.

---

---

An emergency meeting of the Wellington R.C. Chapter, No. 91, held on 17th October, was attended by the M.W. Grand Master, Lord Bledisloe, and a very large gathering of members and visitors met to greet him. His Excellency entered the Chapter room with the M.W.S., Bro. C. W. Nielsen, who having opened the Chapter, expressed the pleasure with which the brethren present greeted their respected and distinguished guest. The majority of those present owed and willingly paid him allegiance as their Grand M.M., while others, members of the Chapter, owed allegiance to another authority, but all those present to whatever Constitution they belonged, united in their feelings of respect and esteem for him as a fellow Prince of the R.C., and in acknowledging the zeal, earnestness and assiduity with which he at all times laboured in the cause of the common weal. As it was understood to be the case that their guest had many years before made his acquaintance with the rite, it was hoped that he would derive pleasure and profit in retracing old steps and assisting in the exemplification of the principles on which the Order is based. E. and P. Bro. Lord Bledisloe

acknowledged with much cordiality and heartiness the welcome extended to him, and the terms in which it had been expressed, and said he had looked forward to meeting the R.C. brethren in Chapter again. Over forty years before he had been received in Oxford University Chapter, No. 40, as a candidate. That Chapter was founded in 1872 and he noticed that the Chapter he was visiting that evening was numbered 91 and was established in 1882, only ten years after his own Chapter, which spoke for the long and useful life of Wellington Chapter. There was never a time when the application and exercise of the virtues on which the Order was based were more necessary than the present, and he was glad to know that the Chapters were steadily per-suing their tasks and exercising their influence on the community.

The degree of R.C. was conferred upon two candidates, Bro. Lord Bledisloe taking part in the work.

The meeting was a memorable one, and the proceedings were followed with the closest interest by all present.

### ALLEGIANCE TO GRAND CHAPTER.

---

Dear Sir and Comp,—V.E, Comp. Ellison's letter in your October issue certainly does not purport to do more than express an individual opinion and it should not be accepted by any one as representing the views of R.A. Comps. in this district. However much they may disagree with the radical proposals endorsed by the last Convocation, their loyalty to their sovereign body is beyond question, and unconstitutional methods are not likely to find favour.

The maintenance of the integrity of Supreme Grand Chapter is considered of paramount importance, far superior to all parochial, or personal, considerations and prejudices. The suggestion that a minority of Chapters would not be bound by laws to which they did not assent is unsound, and, of course, quite incompatible with the Constitution. Just now a common platform of amity and fraternal co-operation is needed to soften the asperities of an overstrained situation and anything which might tend to breed division and disagreement is to be deprecated.—Yours, etc.,

J. J. ESSON, P.G.Z. Wellington, 7/10/33.

### ALLEGIANCE TO GRAND CHAPTER.

---

Dear Sir and Comp.—May I crave a portion of your valuable space in the "Craftsman?"

Comp. J. W. Ellison stated in the October issue, that there is a movement at work, which if successful, would have the effect of breaking up the Constitution of the Supreme Grand Royal Arch Chapter of New Zealand. He also affirms that it is intended by those interested in this effort to hand over to a few Grand Lodge officers the control of the affairs of Supreme Grand Chapter.

Probably our companion has in mind the resolution carried at the last Annual Convocation in February last, affirming the principle of peripatetic control on lines similar to Grand Lodge.

If he contends that this reform, put into operation, would have the effect he predicts, then surely his statement is extravagant and misleading. Certainly it has been suggested that the most economical and least disturbing method of enabling the peripatetic system to function would be to come to some agreement with Grand Lodge for the use of office space, and the services of the Grand Secretary as Grand Scribe E. But there the connection would cease.

Is this handing over the affairs of Supreme Grand Chapter to a few G.L. officers?

One may add that office space does not constitute an officer, neither is it unusual for an individual secretary to act as such for two or even more separate organisations.

I venture to suggest, the companions of Otago, Canterbury, Wellington, and Auckland Provincial Districts will resent the expressed opinion, that when the peripatetic system is put into operation and control centres in their respective districts; the Supreme Committee, and the officers elected to manage Grand Chapter affairs, will deem themselves so incompetent to discharge their trust that they will hand over the responsibility to a "few Grand Lodge officers."

What exactly is the authority conferred upon Supreme Grand Chapter in rules 2 and 3, Book of Constitution and Laws?

I supposed that Supreme Grand Chapter, at a properly convened Convocation, have power to alter or amend the Constitution by a majority vote, and Subordinate Chapters have to conform to the Constitution as altered or amended.

In this it appears I am labouring under a misapprehension, as we are informed by V.E. Comp. Ellison that even a minority in a Subordinate Chapter can refuse to be controlled by a majority in the same Chapter, and can continue to carry on under Supreme Grand Chapter "as now constituted."

How this could be done in the event of Supreme Grand Chapter altering or amending its own constitutional laws, I confess I cannot understand. It is evident our esteemed companion does not favour a change in control, but is he justified in labelling as "Wreckers and Faddists" those who think differently and believe that the well-known and well-tried system known as peripatetic, would prove beneficial to Royal Arch Masonry in New Zealand.—Yours fraternally,

A. C. HALLETT.

[M.E. Comp. S. Clifton Bingham, too, has written in the same tenor as V.E. A. C. Hallett.—Ed.]

Sir,—At the last R.A. Convocation a R.E. Comp. gave notice of motion to rescind the decision arrived at regarding Supreme Grand Chapter administration. Can you tell me if he is going on with this matter? If he is I for one want to be present and record my vote.—I am, etc.,

Sir,—I understand from reading your columns that a very drastic change in the administration of Grand Chapter affairs is on foot. I have not heard the matter mentioned in the Chapter to which I belong. Are we as Royal Arch Masons to have no voice in their alteration at all? Thanking you.—Yours sincerely, R.A.M.

**ANNUAL SOLDIERS' NIGHT.**

---

Following an established custom, extending over many years, the above Lodge held its annual Soldiers' Night on Saturday, August 26th. It is no exaggeration to state that this function is eagerly looked forward to by brethren from Christchurch to Bluff; indeed one visiting Worshipful Master from Sydney was present.

The idea of this annual event is to afford brethren who are ex-members of the N.Z.E.F. an opportunity to renew old acquaintances and relate experiences amid surroundings somewhat akin to the war days.

The Lodge was tyled early (7 p.m.) and, after transacting formal business, visiting brethren were admitted. The various W. Masters (approximately 24) were announced en bloc, and escorted individually to the East. This procedure proved eminently successful in the ever-pressing question of saving time. The Prov.G.M. of Otago (R.W. Bro. G. R. Henderson, who is a member of the Lodge), escorted by numerous Grand officers, was received and accorded the honours becoming his rank.

It has been the custom to dispense with ceremonial work at functions of this sort, and in place of degree working a very fine lecture was delivered by V.W. Bro. W. R. Brugh, P.G.D.C. As the aforementioned brother had just returned from a world tour, it can be imagined that he had many topics on which to discourse, and which would have proved highly interesting. Having in mind, however, the circumstances for which the meeting was held, he chose undoubtedly the most appropriate of addresses—The Scottish War Memorial, Edinburgh. It was indeed a great privilege and pleasure for the large attendance to hear such a distinguished orator deal with an edifice that is renowned the world over.

An early adjournment was made to the refectory, which was decorated with typical sketches of war-time scenes and celebrities. An excellent orchestra enlivened the proceedings by playing old-time marches and by accompanying the community singing of appropriate songs.

The reading of "Routine Orders" by Bro. P. S. Anderson was greatly enjoyed, introducing as he did many celebrated brethren who were either on the "mat" for some imaginary offence or reduced to the ranks. The compilation of this item showed that the brother responsible displayed a great amount of ingenuity and originality in its production.

Then followed the usual toast list, comprising "The King," "The M.W.G.M.," "The R.W. the Prov.G.M." Previous to the last toast, that of "Fallen Comrades" was honoured in true Service fashion, the lights being extinguished and the Union Jack half-masted. Bro. G. Crawford rendered R. L. Stevenson's "Requiem" very effectively.

Then followed "Reminiscences," by Bro. E. J. Anderson, whose masterful eloquence was listened to attentively by all present. His effort was a distinct break from the ordinary stereotyped war story, and dealt mainly with the strange contrasts of human nature that the war made manifest.

The most important event of the evening—the issue of "S.R.D."—was given effect to in real army fashion, one "nosecap" per man. It transpired, however, that there was enough of the throat-oil to allow two "nosecaps" a head. This liberality was made known in order to counteract a recent order from H.Q. that in future there were to be ten men to a loaf.

The toast of "Returned Soldier Brethren" was in the hands of W. Bro. F. W. A. Clayton, who touched briefly on present-day world conditions from a returned soldier's viewpoint. Responses were given by W. Bro. N. R. H. James (Master, United Forces, No. 245, Christchurch), W. Bro. .Rev. F. Y. Fisher (Master, Lodge Morning Star, No. 192, Dunedin), and by a W. Master of a Lodge in Sydney, N.S.W.

A mimic bombardment was then put over, and was very reminiscent of the years 1914-18.

R.W. Bro. Col. J. H. Moir, P.Prov.G.M., proposed in an able manner the toast of "The Royal Navy, Army, Air Force, and Mercantile Marine." Bro. Major L. A. Rhodes (14th Battery) responded, and assured all returned men that the present Volunteer Force was ever mindful of the traditions handed down by the N.Z.E.F., and were jealously guarding them.

The "Tyler's Toast" by W. Bro. A. H. Gallagher, followed by the singing of "Auld Lang Syne," brought to a close a very enjoyable and memorable evening.

For the success of the evening thanks are due to V.W. Bro. Adam Smith, P.G.D.C., whose organisation needs no extolling here; to Bro. H. L. Boock and his very efficient orchestra; to Bro. Smith for his leadership in the community singing and other items; to W. Bro. G. E. Turner for his electrical contrivances and illuminations. In short, all members of The Service Lodge worked hard to make the stunt a success, for which the Master (W. Bro. H. D. S. McLeod) tenders his sincere thanks.

## OBITUARY.

---

R.W. BRO. J. W. McDOUGALL, P.Prov.G.M.

After a long and useful life, R.W. Bro. John William McDougall, P.Prov.G.M. fell asleep at the advanced age of 85 years at his home in Napier on October 8th. The late brother arrived at Dunedin from Great Britain in 1871, and six years later moved to Napier, where he had since resided. Here he took up journalism, being a frequent contributor to the New Zealand press, his writings covering a wide range of subjects. He occupied with marked ability the editorial chair of the Napier "Daily Telegraph" from 1893 until a few years ago.

Bro. McDougall was the only surviving member of Lodge Scinde when under the Irish Constitution. Taking an active interest in the Craft his efforts were rewarded by being installed W.M. of Lodge Scinde, and later as Prov.G.M. of Hawkes Bay, a position he held for seven years. During his term the territory included the Gisborne district, and he performed his task with credit over the far-flung area when transport was both slow and difficult.

He was laid to rest in Park Island in the presence of a large assemblage of brethren and members of the business community. The Masonic funeral rites were impressively conducted by R.W. Bro. Rev. R. D. B. Waugh, Prov.G.M., after which the brethren filed past the open grave dropping upon the casket the characteristic emblem.

In a most feeling tribute, Bro. Waugh said that the late brother, who was held in the highest esteem by the Craft, was possessed of great moral strength and courage. His many interests were of a very wide nature, and at all times he was ready to promote the welfare of the community. His opinions were always to be considered, whether one agreed with his views or not. He was a strong altruist and was possessed of high ideals, carrying to success the many movements to which he directed his attention. By his efforts he was truly a great Mason, and in laying him to rest the brethren did so with thanksgiving to God for all that he had done in his labours. Bro. Waugh expressed the deep sympathy that the Fraternity extended to the family and relatives.

### BRO. JOSEPH PHILLIP KELLY.

The death of Bro. Joseph Phillip Kelly, which took place very suddenly at Auckland a few weeks ago, removes a member of the Duke of Albany Lodge, Helensville, who was well and favourably known in the Taranaki and Auckland Districts. He was for some years manager of various large farms at Toko and Mokoia, and later at Wharepapa, Dargaville, and Port Waikato. For the past two years he was in business at Wellsford and Maungaturoto. The funeral, at which a number of Masons were present, took place at Waikumete. Of a very happy nature, Bro. Kelly was in every sense a good Mason. He is survived by his widow, one son (Mr. Claude Kelly, of Frankton), two daughters (Mrs. G. Robertson, of Grey Lynn, and Mrs. B. Brookes, of Maungaturoto). There are two grandchildren.

### W. BRO. JAMES MAYS, P.M.

On September 27th, at Auckland, there passed away at the fine old age of 84, W. Bro. Mays, for fifty years an active and zealous member of Lodge Albion, No. 45.

W. Bro. Mays was the first "Initiate" of the Lodge, taking 1st Degree on May, 1883, soon after its foundation, and was installed as its Master in April, 1888.

Like the fine old pioneer he was, being very thorough in all he did, his energies resulted in placing his Lodge upon very sure and sound foundations, to become one of the largest in the Dominion. He was a life member and one of the original trustees.

W. Bro. Mays was born in Leicester in 1850, coming to New Zealand with his parents when ten years old and settling in Devonport. He was a builder and contractor by occupation, and a number of the earlier buildings and public works in and around Auckland were carried out by him.

He was attracted by the early gold discoveries in Thames, but only temporarily, returning to Auckland to again take up contracting and maintaining his business activities until recent years, when declining health necessitated his retirement. W. Bro. Mays figured largely in public life; he was one of the original members of the old Devonport Road Board, and again later when Devoport was constituted a borough. He assisted in

the formation of the Devonport Ferry Company, and was one of the first committeemen of the Takapuna Jockey Club, retaining his office until his death. For a number of years he was Government Valuer and Assessor for the district.

W. Bro. Mays was accorded a Masonic funeral, Past Masters of the Lodge acting as pall-bearers, the hearse being preceded by members of the Lodge walking in procession from his home to his last resting place on the slopes of Mt. Victoria. R.W. Bro. James Armstrong, P.D.G.M., a lifelong friend, assisted by the W.M. of Lodge Albion, W. Bro. G. F. Bartley, conducting the ceremony, its simplicity and beauty having an added charm by the nature of its setting and rendering.

He leaves a widow, one daughter and two sons, both members of Lodge Albion, to whom is extended deep sympathy and regret, with the hope that the esteem in which he was held by all will in some measure help to sustain them in their sad loss.

### AUCKLAND NOTES.

---

---

Grand officers, delegates, and others who intend being present at the Annual Communication, are looking forward with pleasure to meeting the Dunedin brethren and representatives from other parts of the Dominion at the end of the month. A large number have signified their intention of going South. The Auckland Masters are keenly interested in the possibility of visiting Lodges on the trip South and will be glad to do so wherever they can. A number of ladies will accompany the brethren from the North.

The installation meetings during the month were all very well attended and some splendid gatherings took place. A very busy month.

The officers of the District Grand Lodge of England were also busy, travelling as far away as Gisborne and Opotiki.

M.W. Bro. Oliver Nicholson made a special trip to Lodge Waipa, No. 118, at Te Awamutu, for purpose of installing in the chair of that Lodge, Bro. A. J. Tailby, a son of the late W. Bro. William Tailby, P.G.Swd.B., who died at Auckland some months ago.

M.W. Bro. Nicholson also conducted several other installations during the month, and V.W. Bro. C. L. MacDiarmid, Asst.Prov.G.M., and the Waikato brethren were also busy.

At the request of M.W. Bro. Nicholson, and at short notice, W. Bro. R. Hay, P.G.D., conducted the installation meeting of Lodge Pone, No. 203, at Dargaville, on 28th September. W. Bro. Hay was the recipient of much congratulation on the excellence of his work as Installing Master. Brethren were present from all parts of the North.

November is also quite a busy month for Grand officers. The meetings set down are those of Lodges Franklin, No. 58, at Pukekohe; Ohinemuri, No. 107, at Paeroa; Tauranga, No. 125, at that town; Tawhiri, No. 166, at Frankton Junction; and Nau Mai, No. 177, at Taumarunui. In addition the annual meetings of Lodges Maungawhau, No. 168, and Morningside, No. 228, will be held in the City.

The Combined Forces Lodge, No. 284, W. Bro. C. R. Hutchinson, W.M., and sixteen brethren, including R.W. Bro. George Barclay, G.S., motored to the Thames on 17th October, and paid an official visit to Lodge Sir Walter Scott, No. 15. There was a fine attendance of brethren and visitors, every local Master being present. R.W. Bro. Barclay delivered a lecture on "The Ceremony of Initiation." The Combined Forces brethren returned to Auckland the same night, well pleased with the visit.

This Lodge will hold a re-union of their members and the Service brethren on 15th November, when it is expected that a large number will be present. Special arrangements have been made to ensure the success of the gathering, and invitations are extended to all Masons who have seen service. The Navy, Army and Air Forces will be present in number, when experiences and happenings at the Front will be related. It is hoped

to make this meeting an annual one. All soldier Masons are cordially invited to attend. R.W. Bro. George Barclay was to have delivered an address, but the fact that he has to travel to Dunedin for the Communication will probably render this impossible.

The Grand Secretary delivered several addresses during October. He was at Lodge Tawhiri, No. 166, at Frankton, of which Lodge he was the Charter Master, and lectured on "The Symbols of Freemasonry." In Lodge Karioi, No. 165, at Raglan, he lectured on "The Ceremony of Initiation." At the September meeting of the United Masters Lodge, No. 167, he delivered two addresses: "The Ivory Gavels of Grand Lodge" and "The Grand Lodge Certificate." These meetings were well attended and R.W. Bro. Barclay received a very hearty welcome.

The Ara Lodge, No. 348, I.C., held an interesting emergency meeting on 16th October, when the P.Ms. worked the 2nd Degree. The orchestra of this Lodge has been doing excellent work of late. During the month it was at Lodges Ara, No. 1; St. Andrews, No. 8; and First Temple, No. 302, at all of which the brethren were pleased to welcome them. The Ponsonby Vocal Quartette has also been prominent in their visits during the last few weeks.

The Eden Lodge, No. 1530, E.C., held a fine meeting at the end of September in the presence of a large attendance of brethren and visitors. The First Degree was worked. W. Bro. Massey is having a very successful year of office.

The W.M. and members of Lodge Pukemiro, No. 301, attended Divine Service on 1st October, when many brethren and their friends were present.

The annual ball of Lodge Takapuna, No. 202, was held in the Pirate Ship, Milford, early this month. There was a large attendance of members and their friends, also representatives from the City and Suburban Lodges. Some 85 couples took the floor. A very fine evening resulted.

The Auckland brethren, especially the secretaries of the Lodges, congratulate The United Forces Lodge, No. 245, Canterbury, on the report in October issue of "The Craftsman" that for the eighth year in succession, the Secretary, W. Bro. J. P. E. Veale, reported "no dues outstanding." Truly a great record.

W. Bro. H. A. Lamb, the new Grand Secretary, has taken up his residence in Auckland, and has been in attendance at the Grand Lodge Office since 19th October. W. Bro. Lamb is well known to many of the brethren in the North. They are glad to welcome him to Auckland and also to their meetings.

R.W. Bro. M. A. Benney, P.G.W., celebrated his 79th birthday on 12th October. This fine old Mason keeps very well, and is still prominent in Lodge and Chapter circles. All wish him "Many Happy Returns of the Day."

The installation of the W. F. Massey R.A. Chapter, No. 61, took place at Pukekohe on 16th October. V.E. Comp. H. A. Griggle is the new First Principal.

The hand of the Great Leveller has been busy during the last few weeks and several brethren have passed hence.

R.W. Bro. Sir Alfrd Bankart, who died after a short illness, will be sadly missed. He was most prominent in all Masonic work. His death is a grave shock to the Auckland brethren, and it is hard to believe he has passed hence.

W. Bro. Edwin Auger, of Lodge Waitemata, had reached a great age, and his life's journey was well spent in acts of piety and virtue.

W. Bro. James Mays, of Lodge Albion, No. 45, had also reached a great age, but his passing is regretted.

Bro. Joseph Philip Kelly, of the Duke of Albany Lodge, Helensville, was well and favourably known in the Taranaki and Auckland Districts, died very suddenly and was buried at Waikumete.

Others who were called away are Bro. Arthur Leonard Partelow, formerly of Lodge Waihi, No. 112, and Bro. Walter Taplin, a member of Lodge Auckland, No. 87. Sincere sympathy is extended to all who mourn.

### TARANAKI NOTES.

---

It is pleasing to record that all the Lodges (N.Z. Constitution) in Taranaki have work in hand.

Lodge Ngamotu installation passed off very well, W. Bro. I. W. Roy installing his successor, Bro. Griffiths, S.W. The work was well divided up, the G.L. officers, present and Past, taking a leading part.

The increasing number of P.Ms. present at installation meetings is very noticeable, and seems to indicate a healthy condition in the Craft.

Lodge Taranaki, No. 240, proposed travelling from Hawera to visit Ngamotu, New Plymouth, for the October meeting of No. 48.

The last meeting of Lodge Stratford, No. 75, was notable for two reasons: The W.M. of Lodge Manchester, No. 287, W. Bro. J. T. Thompson, brought a car and some of his officers from Feilding. They did not share in the ritual work, but took over the whole refectory proceedings and put on a splendid programme. The passing of a candidate for Lodge Masterton was the second reason.

The W.M. of Lodge Taranaki, No. 240, W. Bro. E. T. Dillon, was called to the G.L. above on 14th October, and although he had been ill for some time his death caused a profound sensation. The Lodge of Sorrow held in Hawera was attended by about 100 brethren. W. Bro. Barclay took the chair and the Prov.G.M. was present.

At the graveside, W. Bro. Bayley, W.M. of Lodge Hawera, took the service. He was assisted by W. Bro. J. Exdahl, Chaplain of Lodge Taranaki, and W. Bro. Tisdale. The proceedings, both in the Temple and outside, were dignified and impressive.

The annual meeting of the Paritutu R.A. Chapter, No. 5, took place on 4th October, and was well attended. The First Principal, V.E. Comp. N. B. Bellringer, installed his successor, E. Comp. J. Christofel. The Second Prin. was installed by R.E. Comp. J. Allister, G.Z.Dep., and the Third by R.E. Comp. H. D. Caplen, G.Supt. R.E. Comp. Carter, P.G.Supt., did the work of installing the W.M.M. very impressively, and well deserved the compliments he received.

PHONES: Shop—26-137; Residence—27-052.

The table decorations are always a feature at Paritutu installation, and this year the "waratah" was more than ever in evidence, and in conjunction with scarlet tulips made a most appropriate colour scheme. The ladies responsible well merit the thanks of the companions.

V.E. Comp. R. N. Free was the installing Prin. at Taka-Hoa R.A. Chapter, and everything passed off well. He was ably assisted by R.E. Comp. Caplen, Carter and McAllister, as well as other V.E. Comps.

V.E. Comp. Carlson, the newly-installed First Prin., with E. Comps. Keiler and Gibbons, Second and Third respectively, had a very good beginning, and will, no doubt, have a happy and successful term.

### OTAGO COMMENTS.

---

---

Lodge Maori is to be congratulated on the commencement of its new Temple, preparations for the foundations of which are in progress. It is hoped to lay the Foundation stone during the progress of Annual Communication of Grand Lodge.

Lodge Teviot, No. 148, spent a profitable meeting when its officers exemplified the First Degree. It is proposed that the floor members work the Second Degree. Without doubt this will stimulate interest and arouse emulation.

Lodge Cromwell Kil., No. 98, journeyed to Lodge Palmerston, No. 26, and exemplified the ceremony of raising, to the satisfaction of a large company.

R.W. Bro. S. R. Henderson, Prov.G.M., accompanied by G.L. officers, visited Lodge Ngapara, No. 68, for the installation of officers. There was a good attendance and the function was most successful.

Bro. P. A. Jackson was installed as R.W.M. of Lodge Oamaru Kul. by the outgoing R.W.M., Bro. J. A. Meldrum. The investiture of officers was in the hands of local brethren.

Lodge Haeremai, No. 154, observed mourning in memory of the late W. Bro. J. W. Reffills, an old and valued member of the Lodge.

Bro. D. Forsyth entertained Lodge St. John, No. 84, with his interesting and instructive lecture on "The History of Freemasonry."

R.W. Bro. W. F. Devine, P.G.W., gave Lodge Ionic his excellent lecture, "What Bearing, if any, has the Religions of the East on Freemasonry," and was specially thanked for his fine effort.

The ceremony of the Third Degree was worked in Lodge St. Thomas Kil., No. 83, by the W.M. and officers of Lodge Clinton, No. 183.

The installation of Lodge Oceanic, No. 154, was the occasion of a large assembly, including R.W. Bro. G. R. Henderson, Prov.G.M., and G.L. officers, who were honoured by the presence of the pipers, who led the procession in characteristic style. Bro. H. B. Kent was installed by the Prov.G.M., and should be pleased with an excellent meeting. Features of the refectory proceedings were fine efforts by a double quartette in two items and an interesting ventriloquial dialogue by Bro. Eggers and his "assistant."

Lodge Timaru, No. 196, paid a visit to the Service Lodge, No. 237, and conducted the ceremony of the Second Degree with a satisfactory working. W. Bro. Inglis, W.M., was supported by officers who were in the machine-gun section in the Great War, and naturally there was a most happy reunion. The refectory proceedings were reminiscent and enjoyable.

Honour was done to R.W. Bro. J. H. Moir, P.Prov.G.M., whose service during four years of office was most fittingly acknowledged by the presentation of a full dress suit of regalia at the last meeting of the Service Lodge. In making the presentation, R.W. Bro. W. Lishner bore valued testimony to the excellent work done by R.W. Bro. J. H. Moir, and on behalf of the brethren of the Otago District invested him with the regalia abovenamed. R.W. Bro. Moir suitably replied, thanking the brethren for their kind gift.

Lodge Morning Star, No. 192, fittingly celebrated their 21st anniversary at their last meeting, when the proceedings were in complete harmony with the occasion.

R.W. Bro. Jas. Quaile, P.G.W., first W.M., was received with the P.Ms., and assumed the Chair of K.S. to receive R.W. Bro. G. R. Henderson, Prov.G.M., who in turn received M.W. Bro. J. J. Clark, P.G.M., and G.I. officers.

R.W. Bro. Quaile was entrusted with "In Memoriam of Departed Brethren," and capably and feelingly fulfilled his trust. M.W. Bro. Clark's address on "The Influence of Freemasonry" was timely and helpful. W. Bro. R. S. J. A. Macdonald submitted the Lodge's history. In the refectory W. Bro. Foley was interestingly reminiscent. R.W. Bro. G. R. Henderson, Prov.G.M., tendered "Many Happy Returns of the Day," and presented the W.M. with the time-honoured key.

The reply was entrusted to R.W. Bro. Qualle, who was in happy vein, and his effort will be long remembered.

The installation of Bro. Chr. George as W.M. of the Lodge Otago, No. 7, was a happy and successful function in every detail. R.W. Bro. Henderson, Prov.G.M., was I.M. There was a strong Board of I.Ms. and an excellent attendance.

M.W. Bro. Thos. Ross, P.G.M., gave an interesting resume of the early history of Grand Lodge, with which the Lodge of Otago was intimately associated. Everything points to a successful year.

Recent functions have been graced by the presence of M.W. Bros. Thos. Ross, E. W. G. H. Watts, and J. J. Clark, P.G.M.s., and R.W. Bros. W. Lishner and J. H. Moir, P.Prov.G.Ms., whose zeal is well known and whose presence is always appreciated.

### SOUTHLAND NOTES.

---

---

It is indeed pleasing to see W. Bro. Jas. Greer back again at the various meetings after his recent serious illness.

R.E. Comps. E. C. Smith, F. A. Steans and G. E. Charlton paid a visit to Cromwell Chapter (Otago District) on 21st October, on the occasion of their annual installation,

Lodge St. John, No. 94, paid an official visit to Lodge Taringatura, No. 100, on 16th October, and worked the ceremony of raising.

It was unfortunate that the installation of Lodge Edendale should clash with the monthly meeting of Southern Cross R. A. Chapter.

W. Bro. G. Charlton, G.W., has been laid up of late with a sprained shoulder.

The annual installation meetings of Lodge Mataura and Wallace, held during the past month, were most enjoyable functions.

Lodge Wallace, No. 129, held a "ball" in conjunction with their annual meeting.

Comp. Wm. Millar and his orchestra did much to make the recent Southern Cross R.A. installation the success it undoubtedly was.

The Combined Social Committee recently handed over to the Hall Company the sum of £40 as the result of activities during the past winter.

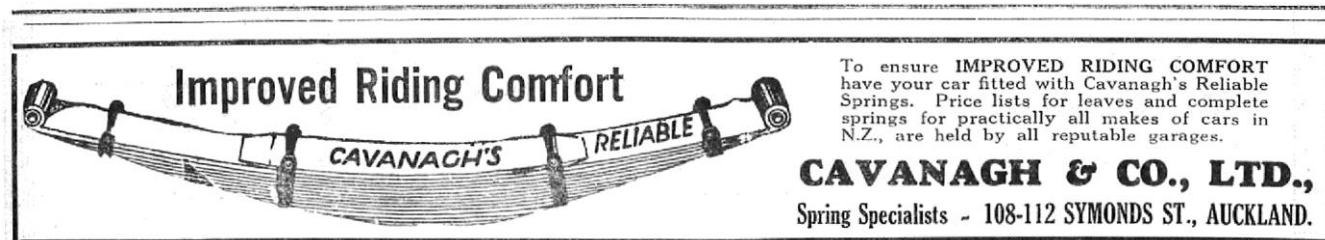

The annual installation of Lodge Winton, No. 108, early this month will conclude the installation season in the Southland District.

The Wallace R.A. Chapter installation was held on 26th October, in the presence of a good attendance of companions.

On the same date the annual meeting of shareholders of the Invercargill Freemasons Hall Company was held in the Forth Street Temple. The year's working disclosed a very satisfactory condition in spite of the many obstacles to be surmounted.

The Southland District should be well represented at the forthcoming Annual Communication in Dunedin.

---

Now that the long days are with us and the bowling matches commencing, the attendances at Craft and Temple meetings will in all probability suffer.

The action of Lodge Victoria, No. 147, in supplying a candidate for Lodge Waihopai, No. 189, at its October meeting was greatly appreciated by the Waihopai brethren.

The attendance at the Mataura installation was excellent in several ways; over twenty G.L. officers were present to support R.W. Bro. Jas. Manson, Prov.G.M.

The ceremony of Advancement was worked by the officers of Mark Degree in Southern Cross R.A. Chapter at the October meeting.

Lodges Winton, No. 108, and Wairaki, No. 145, are at present working at high pressure.

A couple of old-time photographs showing W. Bro. Sawyers in the act of making the Master's chair in use in the Forth Street Temple, recently came into the possession of the Invercargill Freemasons' Hall Company.

**Palmerston, No. 26.**—The ordinary monthly meeting was held on September 21st, when the W.M., officers and brethren of Lodge Karitane, No. 221, paid us a fraternal visit and raised a candidate. The chairs were occupied as follows: W.M., W. Bro. Knight; I.P.M., W. Bro. McKillop; S.W., Bro. Dodd; J.W., Bro. Milne; S.D., Bro. Tait; J.D., Bro. Bannatyne; I.G., Bro. Patterson; Chap., W. Bro. Timmins, G.S.; D.C., W. Bro. Templeton; Organist, Bro. Ford. The candidate, who has passed his three score years and ten, proved an intelligent and interested candidate. The ob. was given by the W.M.; W. Bro. Templeton imparted the Ss. and the candidate was invested by S.W., Bro. Dodd, additional remarks by W. Bro. Park. The Exit, was carried out by Bro. Bannatyne, assisted by W. Bros. Timmins and Knight, along with S. and J.W.'s Emblems by W. Bro. McKillop; Ss., W. Bro. McGill; T.H., S.D., Bro. Tait; Add-Ss., S.W.; W.Ts., Bro. Milne; F.Ch., W. Bro. Park; and the V.S.L. was presented to the candidate by W. Bro. Timmins, G.S. Many visitors were present and were entertained in the refectory, where a couple of very pleasant hours were spent.

W. Bro. Pickett (W.M.), accompanied by twelve brethren, motored to Oamaru to pay a fraternal visit to Lodge Oamaru, No. 260, and witness the installation of Bro. H. E. Watson and investiture of officers. W. Bro. Pickett had the pleasure of presenting one of the Working Tools in one degree. The brethren of Lodge Palmerston were much impressed by the magnificence of the present temple and commodious refectory recently completed by the Oamaru. Lodges. The brethren of Oamaru are to be heartily congratulated on their enterprise and attainment. The refectory was well filled and everything appeared to go with a swing. Many old friends were greeted and new ones cemented.—[Lodge Correspondent.]

**Maori, No. 105.**—**Mention** was made in these Notes recently of the loyal support the P.Ms. give their mother Lodge, and there was striking confirmation of this at the October meeting. W.M., Bro. F. L. Crosbie, after welcoming visitors from numerous sister Lodges and Constitutions and Bro. Bailey, S.W., Lodge Waitaki, handed the gavel to W. Bro. C. Seelye, P.M., who was supported by an exceptionally large number of P.Ms. of the Lodge, to allow him the privilege of raising a candidate. The most impressive manner in which the P.Ms. worked the degree was an inspiration and could not fail to be helpful to the present and future officers, and it was well worth witnessing the dignified ceremonial. After Ob. the candidate, W. Bro. C. Seelye was well supported by W. Bros. T. F. Rodger, S.S.; W. Campbell, Exh.; Jas. Donaldson, L.M.M.; A. Jordan, Sub S.S.; E. T. Monk, T.H.; G. Green, Inv.; T. Harridge, Ch. after Inv.; L. Page, W.Ts.; R. E. McLean, Final; and J. Veitch, V.S.L. It is hoped that a start will have been made with the erection of the new temple before this report appears, and it is the sincere hope of the Lodge that the M.W. G.M. will lay the foundation stone in November. Bro. T. Marlow has been kept busy with his latest lecture at various Lodges, illustrated by a set of beautiful lantern slides. The Lodge is also deeply indebted to him for drawing up plans and specifications of the new temple. It is remarkable how he finds time to so wholeheartedly support Freemasonry. —[Lodge Correspondent.]

There being no degree work, the Lodge was tyled early, to carry out the necessary routine business. The brethren then retired to the refectory and entertained their lady friends, as a small compensation for the many evenings they were left to themselves, while the brethren attended to their Masonic duties. A delightful evening was spent with musical items, recitations, and community singing interspersed with dancing. A happy atmosphere was created at the outset, which permeated throughout the whole evening.— [Lodge Correspondent.]

Visiting brethren are always welcome, and it may interest them to know that speeches and toasts, other than that of the "King" are not the rule in this Lodge.—[Lodge Correspondent.]

## ROYAL ARCH CHAPTERS.

---

---

**Horowhenua, No. 63.**—The September Convocation of the Chapter proved full of interest, the business, in addition to the usual routine, including nomination of officers, two ballots, and an advancement. The 1st Prins., V.E. Comp. W. H. Potts, took occasion to refer to the past history of the Chapter and the traditions that were being steadily built up. Founded in November, 1926, the Chapter showed no signs of a diminished virility, but rather continued to grow in strength and influence. It had been fortunate in that the original officers were still in the district, with one exception, and continued their earlier interest. V.E. Comp. Potts then asked the original officers of the Chapter to confer the M.M.M. degree; to many, pleasant memories were recalled by the work of the following officers: W.M.M., W. Bro. R. J. Foss; S.W., W. Bro. L. J. Hunter; J.W., W. Bro. J. W. Bishop; Reg., Bro. F. G. Roe; Chap., Bro. W. R. Jack; M.O., W. Bro. W. Jenson; S.O., W. Bro. W. G. Bishop; J.O., W. Bro. Potts; S.D., Bro. G. D. Hamilton; J.D., Bro. H. Walker; I.G., Bro. A. J. Petherick. The Lecture was given by W. Bro. Hunter, the Ss. by W. Bro. Jenson; the Charter presented by Bro. J. W. Bishop, the W.Ts. were presented by W. Bro. W. G. Bishop, and the Final Charge was delivered by W. Bro. Potts. Opportunity was taken later by W. Bro. R. J. Foss to acknowledge the kindly wish of the officers for the Founders of the Chapter to conduct a ceremony once again. Subsequently, the candidate made fitting reference to the ceremony and the special circumstances of his advancement.—[Chapter Correspondent.]

## A. & S. RITE.

**Nelson Provincial Chapter, No. 221.**—The annual installation meeting of the Chapter took place on Monday, October 2nd in the Masonic Temple, Collingwood Street, Nelson. The Chapter was opened by the I.P.M.W.S., E. and P. Bro. S. Cannington, and after regular business had been dealt with the G.I.G. for South Island, V. Ill. Bro. S. Clifton Bingham, 33°, accompanied by Ill. Bro. Redman, 30°, were welcomed for the purpose of Installation of the M.W.S.-elect, E. and P. Bro. F. C. J. Cockburn, and investiture of officers. After the ceremony of Installation, V. Ill. Bro. Bingham made feeling reference to the great loss the Chapter had sustained by the death of the late M.W.S., E. and P. Bro. W. F. Thomson, and our esteemed Treasurer, E. and P. Bro. James Williams, P.M.W.S. Ill. Bro. R. W. Stiles, 30°, again acted as D. of C., while Ill. Bro. J. L. Ching, 30°, invested the officers. Before the calls were made, a pleasing sacred solo, "I will Lift up Mine Eyes," was rendered by E. and P. Bro. D. Bishop, accompanied by E. and P. Bro. Smith, of Sovereign Chapter. The G.I.G. then gave a very interesting address on "Maundy" Thursday, which was much appreciated by the brethren. The 3rd point was very ably worked by Ill. Bro. Redman, 30°. The refectory proceedings were particularly enjoyable, and hearty thanks are due to our M.W.S. for decorations, coloured lights, etc., as well as a very well got up printed programme. It can be safely said this was one of the most successful Rose Croix gatherings held in Nelson for some time.—[Chapter Correspondent.]
