The New Zealand Craftsman

Vol. LII, No. 5.]

WELLINGTON, NEW ZEALAND, OCTOBER 1, 1946.

[A.D. 1946, A.L. 5946.

AN OPPORTUNITY TO HELP.

—♦—

AN example of well-directed Masonic helpfulness and kindly thought is reported in this issue of "The Craftsman." A New Zealand Lodge, wishing to express in a practical way its sympathy with English brethren in the privations they were suffering, sought the name of a Lodge to which food parcels could be sent. The District G.M. of the E.C. (R.W. Bro. Jack) wrote to his own Lodge, Lodge Neptune in London, and received a truly Masonic reply. The Grand Secretary (V.W. Bro. Sydney White), who is a member of Neptune, welcomed the proffered help, not for the general body of members, but for those whose health or circumstances made the rationing especially hard for them. Among the Sovereign Jurisdictions in Australia and New Zealand, he stated, there had been a growing tendency for Lodges to "adopt" Lodges in England having a similar name or number. It sometimes happens that members of the adopted Lodge were connected with a particular profession or occupation where they were in a better position to cope with present-day conditions. Those who could have a meal at a canteen or restaurant were better off than others who had not such facilities. V.W. Bro. White said his one desire was that the maximum benefit should be derived from the generous gifts of brethren overseas. To this end he had been in touch with Provincial authorities all over the country and from them had obtained lists of Freemasons and their dependants to whom the gift of a food parcel would afford benefit to health and financial relief. He had the names of a lot of brethren and their families who had returned from the Far East after years of internment to find home and employment gone, and who were trying to recover lost strength on present-day rations. From the Royal Masonic Hospital he had a list of patients who were trying to pick up after heavy operations, old annuitants who could not stand in queues for food, and widows with growing families.

These lists have been sent to R.W. Bro. Jack.

This method of affording help is deserving of high commendation and active support. It is entirely unselfish in aim. When the first inquiry was made, the New Zealand Lodge might easily have been put in touch with an English Lodge whose members would then have received food parcels which would have been most welcome to them — for British rationing imposes such conditions that all classes are suffering from at least the monotony of the diet. Even families with ample means can obtain the little extras that give appetising variety only by waiting in queues, and then in quantity limited by the number of ration points that can be spared. The Masonic brethren, nevertheless, have freely and cheerfully forgone this relief, and asked that it should be given instead to those among their number who are in greater need. Their generous and truly brotherly action recalls the saying of Sir Philip Sidney, when ordering that water brought to him should be given to a wounded soldier: "This man's necessity is still greater than mine." If for no other reason than this the proposal should earn a ready response.

The plan, however, commands support also because of its practical worth. There has been some doubt in Great Britain on the wisdom of extending the food parcel gift scheme because it might lead to inequalities—persons of influence and wealth, for example, might have hundreds of parcels and others have few or none. And equality is the essence of rationing. But the supply of parcels to the sick, the aged, those who have suffered years of internment, and the poor is a true charity which really promotes equality, because it relieves the pressure of rationing on those who are least able to bear it.

Finally, the scheme is one which cannot fail to make a reality of Masonic brotherhood. The sharing of difficulties is a sure way of promoting understanding and close kinship. We in New Zealand are in a most fortunate position. Our Masonic activities have never been interrupted by war, though of course every Lodge has had difficulties through the absence of members on service. But we have continued our meetings without any serious inconvenience or lack due to blackouts, rationing or other war effects. Now we cannot do less than show our sense of what our brethren in the United Kingdom have borne. Especially must we respond gladly, and count it a privilege to do so, when what they ask is not for themselves but for the poor and needy among them.

CONSTITUTION AND DEDICATION OF LODGE GORDON, No. 320,

The Constitution and Consecration of Lodge Gordon, No. 320, in the Masonic Temple, Gore, on 7th September marks another important milestone in the progress of the Craft in this the most southern portion of the Dominion. The ceremony was conducted with outstanding dignity and impressiveness by M.W. Bro. E. C. Smith, Grand Master, in the presence of a capacity attendance. The Otago Territory was represented by M.W. Bro. W. Lishner, P.G.M., R.W. Bros. H. Archbold, Prov.G.M., H. A. Lamb, G.Sec., V.W. Bros. C. E. Hedge, Pres.B.G.P., and T. L. Gillions, G.D.C., and members of several Lodges. The duties of M. of C. and Grand Chap. were ably conducted by W. Bro. F. J. Logan and V.W. Bro. R. H. Waddell respectively. The elements were presented by M.W. Bro. W. Lishner, R.W. Bro. J. D. Campbell, Prov.G.M. Southland, H. Archbold, Prov.G.M. Otago, and Alex. Derby, P.Prov.G.M. The musical portion of the ceremony was in the hands of W. Bro. H. P. Weston, P.G.Org. A solo, "Bless this House," was ably sung by W. Bro. L. G. Thomson. The Oration, delivered by the M.W. Grand Master, was an outstanding feature of the meeting.

The ceremony of Installation of W. Bro. F. J. Murray, a Past Master of Lodge Harvey, No. 49, was ably conducted by R.W. Bro. J. D. Campbell, Prov.G.M. The Antient Charges were read by R.W. Bro. H. A. Lamb, G.Sec., the Oath of Fidelity was administered by R.W. Bro. S. J. Yule, P.Prov.G.M., and the presentation of Charter and Book of Const. by M.W. Bro. E. C. Smith, G.M. The Address to the W.M. was given by R.W. Bro. J. D. Campbell, Prov.G.M., and to the Brethren by R.W. Bro. Jas. Manson, P.Prov.G.M. The charter members of this new Lodge are drawn mainly from Lodge Harvey, No. 49. Gore, and judging from the number of candidates proposed, enough work is on hand for the next two years.

ANTIQUITY OF THE SQUARE.

In 1830, workmen engaged in rebuilding the Baal bridge near Limerick. Ireland, found beneath the foundation stone a metallic square bearing the date of 1517 and also the following inscription:—

"I will strive to live with love and, care, upon the level, by the square."

This indicates strongly that mediaeval operative Masons at'ached to the square the same symbolic meaning we do today—Exchange.

VISIT OF THE GRAND MASTER TO AUCKLAND PROVINCIAL DISTRICT.

The first official visit of the Grand Master. M.W. Bro. E. C. Smith, to the Provincial District of Auckland was an outstanding occasion during the month of August, as it provided an opportunity for the Grand Master to meet the brethren of the northern part of the district. It is unnecessary to recount the number of addresses which he delivered while on this tour, all of which were well received and sincerely appreciated by those who were privileged to hear them.

When the Provincial Grand Master (R.W. Bro. Wilfrid W. Wright) became aware of the proposed visit he immediately organised a party to travel with the G.M. from Auckland, and set in motion what proved to be a history-making event in so far as Freemasonry was concerned. The first combined meeting was held in the Temple at Auckland on Thursday, 1st August, under the charter of the Combined Forces Lodge. No. 284. when a large number of members were present, and included representatives of the Grand Lodges of England. Ireland and Scotland.

Next day the party set out for the North, and that evening the ceremony of Consecrating the Temple of the Marsden Lodge at Maungaturoto was carried out very efficiently by the Grand Master, assisted by Grand Lodge officers. After the evening's function the party had a drive of about forty miles to Dargaville, where they spent the night.

The following morning the party set out for Kaitaia, being a journey of about 100 miles, and after travelling through picturesque country arrived there about four o'clock. The evening was spent in carrying out the ceremony of Consecrating the Temple of Lodge Mangonui in Kaitaia, and again the ceremony was carried out most impressively by the Grand Master and his Grand Lodge officers.

The party travelled to Russell on the following day (Sunday), which was reached in time for lunch, and after a brief spell the party were entertained by the brethren of Lodge Kororareka to a launch trip and afternoon

tea at "Zane Grey's Camp." That evening was spent quietly, which was appreciated in view of the next week's heavy engagements.

The ceremony of laying the foundation stone of the Masonic Temple for Lodge Kororareka. No. 304 (Russell), was carried out on the Monday afternoon. (Special reference is made to this ceremony in a separate article in this issue.)

An early start was made next morning for Whangarei, which was reached in time for lunch, and in the evening the Grand Master and the party were received by Lodge Parahaki. No. 269, when the Prov. G.M. installed Bro. Leslie George Miller as W.M. He was assisted by the M.W. Bro. the Grand Master, who gave the Address to the Brethren. There was a large attendance present from all parts of the District, and again the response by the Grand Master to the toast of Grand Lodge was warmly applauded.

The party divided next morning, when one car, containing five members of the party, which included the Prov. G.M., who had to return to Auckland to conduct an Installation meeting in the evening, proceeded to that city. The other members travelled across to Dargaville, where a combined reception was held through the medium of a meeting at Pono Lodge. No. 203, of the brethren of Lodges in that part of the district, and again the Grand Master was warmly welcomed and his remarks listened to with marked attention by a splendid attendance of the brethren. Auckland was reached next day (Thursday) and the Grand Master attended the Installation ceremony of Lodge Rongomau, No. 280, and assisted in the ceremony. The Grand Master's visit has created a remarkable impression, not only with the Auckland city members, but also on all those who were privileged to meet him in the North.

NEW TEMPLE FOR LODGE KORORAREKA, No. 304.

FOUNDATION STONE LAID.

Monday, 5th August, 1946. was a red letter day in Masonic circles in the Bay of Islands, the occasion being the laying of the foundation stone of the new Temple of Lodge Kororareka, No. 304. at Russell, by the M.W. the Grand Master. M.W. Bro. E. C. Smith, assisted by R.W. Bro. Wilfrid W. Wright, Prov.G.M., and Officers of Grand Lodge.

A large concourse of brethren, widely representative of various Lodges and Constitutions, gathered at the Russell Town Hall at 2 p.m., W. Bro. A. W. Mulligan. W.M. of Lodge Kororareka, presiding.

V.W. Bro. Alfred E. Cashmore, G.D.C., announced the Provincial Grand Master. who then received and welcomed M.W. Bro. E. C. Smith, Grand Master, and his officers.

After the Grand Master had been saluted in accordance with his exalted rank, the W.M. of Lodge Kororareka. No. 304, addressed him as follows: "Most Worshipful Grand Master, the brethren of Lodge Kororareka having decided to erect a building to be used as a Temple, and having requested you to lay the foundation stone, it is now my duty to inform you that the necessary arrangements are completed and that the brethren are now assembled for the purpose of witnessing the impressive Masonic ceremony."

The Lodge was adjourned and the brethren proceeded to the site of the new Temple in Church Street, where a hollow square was formed, the M.W. Grand Master taking up a position near the stone.

The plans of the new Temple, prepared by the architect. W. Bro. Maurice Ashton (the first Master of the Lodge), were presented to the Grand Master, who, after his inspection and approval, handed them to the Master of the Lodge for safe keeping.

The M.W. Grand Master inquired if a casket had been prepared containing the Roll of the Lodge. and after receiving an assurance that it had, requested the Secretary, W. Bro. T. J. V. Dunlop, P.D.G.W.(E.C.), to enumerate its contents.

W. Bro. Dunlop addressing the Grand Master stated: "The casket has been prepared. M.W. Grand Master, and contains a copy of the Programme of the Ceremony on which is printed a list of the Foundation Members and the Roll of the present members of the Lodge, also a copy of the latest issue of the Bay of Islands newspaper (the 'Northland Gazette'), a photograph of yourself (the officiating Grand Master who laid the Foundation Stone), and coins of the Realm."

The M.W. Grand Master directed the G.D. of C. to place the casket in the cavity prepared for it underneath the Stone, which was accordingly done. The Stone was then lowered in three gradations and after being tried and proved square, level and plumb, the M.W. Grand Master, striking the Stone three times with the mallet.

declared it well and truly laid. After Corn, Wine, Oil and Salt had been applied to the Stone by the various assisting Grand Lodge Officers, the G.D. of C. made proclamation.

The M.W. Grand Master addressed the gathering as follows: "Men and brethren here assembled today to behold this ceremony, know all of you that we be lawful Masons, true and faithful to the laws of our country, and established of old with peace and honour in most countries; and engaged by solemn obligations to erect magnificent buildings to be serviceable to the brethren, and to fear God, the Great Architect of the Universe. "We have amongst us, concealed from the eyes of all men, secrets which cannot be divulged; but these secrets are lawful and honourable, and not repugnant to the laws of God or man. They were entrusted in peace and honour to Masons of antient times, and have been faithfully transmitted to us, and it is our duty to convey them unimpaired to the latest posterity.

"Unless our Craft were good, and our calling honourable, we should not have lasted for so many centuries, nor should we have been honoured with the patronage of so many illustrious men in all ages, who have ever shown themselves ready to promote our interests, and to defend us against all adversaries.

"We are here assembled today in the presence of you all, to assist in laying in antient form, the Foundation Stone of our Building as a house for Masonry, which we pray God may deserve to prosper by becoming a place of concord for good men, and for the promotion of Harmony and Brotherly Love throughout the world, until time shall be no more."

The Benediction was then pronounced, followed by the singing of the National Anthem, which concluded the ceremony of Laying the Foundation Stone.

The reception in the evening was full of enthusiasm, the Grand Master delivering to the brethren assembled a most inspiring address.

W. Bro. A. W. Mulligan, W.M. of Lodge Kororareka, thanked the Grand Master on behalf of the brethren for his interesting and instructive address, and on behalf of the Kororareka brethren presented him with a Silver Trowel, suitably engraved, as a mark of esteem and brotherly love and as a memento of the auspicious occasion.

The Grand Master suitably acknowledged the handsome presentation and said the Trowel would ever remain one of his most treasured possessions.

The subsequent proceedings, held in the newly completed refectory, were most happy and enjoyable, W. Bro. T. J. V. Dunlop acting as toast master.

The toast of the Grand Master was in the capable hands of W. Bro. A. W. Mulligan, W.M., who excelled himself in an address which both intrigued and interested all present. The Grand Master delighted the brethren with his happy response which included several amusing episodes.

In responding to the toast of "Donors to the Building Fund," R.W. Bro. Wilfrid W. Wright, Prov. Grand Master, was in happy vein and gave an excellent address, which was well received and loudly applauded.

The toast of the "Temple Architect" (W. Bro. Maurice Ashton), who was unavoidably absent, was enthusiastically received and was responded to by the W.M.

It is not generally known that the brethren of Lodge Kororareka, led and inspired by W. Bro. Maurice Ashton, set out some two years ago to erect a Temple by their own labour and with money donated by members of the Lodge. Faithfully and zealously, two, three, four, and sometimes six brethren worked at the Temple each Saturday, mixing concrete with a hand mixer (sometimes they had to mix with shovels when the mixer was not available) until the foundations were laid. The Building Controller would not allow the concrete structure to proceed above floor level, and that is where it remains at present. Undaunted, the brethren purchased a wooden recreation hut of large dimensions from the Army and have erected it at the rear of the main Temple as a refectory. The outside walls of the refectory will be plastered with concrete cement, which will give it the appearance of a concrete building and will be in keeping with the main Temple of reinforced concrete. The refectory, which comprises kitchenette, lobby, reception hall and main hall, will be used as a Lodge room from next month, in place of the Town Hall, and the completion of the main Temple will be proceeded with when permit can be obtained. Over £500 has been expended to date in the purchase of material alone, and the labour has all been voluntary. The only tradesman in this outfit is W. Bro. Ashton, who is a master builder in wood and concrete. His "Entered Apprentices" comprise a retired secretary, a retired stationmaster, a schoolmaster, a retired sawmiller, an assistant inspector of fisheries, a butcher, and a retired journalist. Hearing of the struggle the Kororareka brethren were having and admiring their pluck and tenacity, R.W. Bro. Wilfrid Wright, Prov.G.M.. Auckland District, sent out an appeal to all the Lodges in his territory, which has met with a wonderful response, no less than £230 being donated to

date, which will purchase quite a lot of cement for the main Temple. This brotherly action is highly appreciated by the members of Kororareka, who are determined to have their Temple completed at the earliest possible date.

The Grand Master was much impressed with the good work being performed in Russell in the interests of Freemasonry. and we thank him, the Prov. Grand Master and Officers of Grand Lodge for their official visit.

CONSTITUTION AND DEDICATION OE CORINTHIAN LODGE, No. 321, CHRISTCHURCH.

The most important and eagerly looked for Masonic event which has occurred in Canterbury for a number of years, viz., the Constitution and Dedication of a new Lodge, took place in the main Temple, Gloucester Street, Christchurch, on Friday. 30th August. 1946, in the presence of a very large gathering of brethren.

The Consecrating Officer was M.W. Bro. E. C. Smith, G.M., who was assisted by Grand Lodge officers and several Prov. Grand Masters, who presented the elements —Corn, Wine, Oil, and Salt—in a most impressive ceremony interspersed by Scripture readings and Prayers by the Grand Chaplain, after which the Lodge was constituted by the Grand Master, who then delivered an appropriate and most impressive address.

R.W. Bro. A. J. Jones, Prov.G.M. of Canterbury, assisted by Prov. G.L. officers, then proceeded with the Installation of Bro. G. T. Williams and the investiture of the officers. The foundation membership list consists of 37 members, which is a very satisfactory number.

Another matter of interest was the presence of R.W. Bro. J. F. Hutchinson, Dist.G.M. for Canterbury, E.C., accompanied by an excellent representation of members of Dist. Grand Lodge.

The prospects of the new Lodge as far as membership is concerned are good, as three propositions for membership were received, and two joining members were proposed at the meeting. Fraternal greetings were conveyed by Lodges all over Canterbury and much further afield.

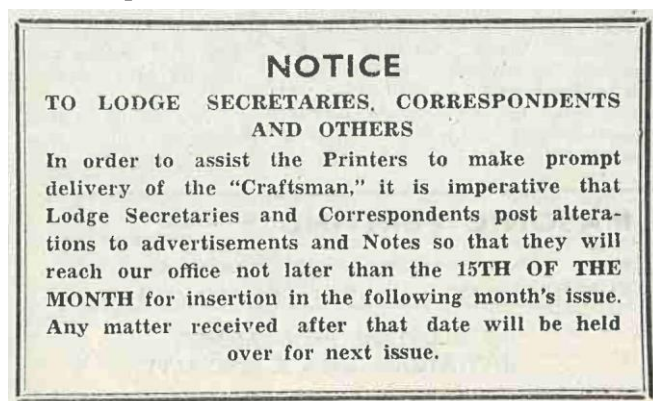

A very happy hour was spent in the refectory, where the Grand Master was present to respond to his toast and gave a further interesting and informative address.

THE GREATEST OF THESE IS CHARITY.

Marvin Wingett, 32°, Dallas, Texas.

According to the dictionary, the primary meaning of charity is the disposition to think well of others. To a Mason it has, or at least should have, a still deeper significance. The popular conception of charity is to give someone, sometimes reluctantly, something that you want, or do not want, yourself. But charity for a Mason has a far more profound meaning as it is applied in everyday life. All too often in the lives of most of us, we are apt to be quick in noting the mistakes and flaws in the other fellow. We are often inclined to see the other fellow's good points as something well hidden behind his faults and shortcomings.

Charitable thinking is something for a Mason to persistently cultivate. Our very thoughts are immortal, and it behoves us to give pause and reflection to every utterance—to reflect before we speak and to bear in mind that a charitable opinion of the other fellow is the beginning of spiritual growth. Who but God can plumb the depths of a man's heart and soul and perceive the motives of his actions?—"The New Age."

THE FOUR-SQUARE MAN.

J. C. Penney, 32°, K.C.C.H., New York, N.Y.

[Editor's Note.—Address delivered at Sixth Annual Convention Banquet of the J. C. Penney Company.]

There are few of you, perhaps, who do not know that this subject is the one nearest my heart. Not the making of money has been the object of my achievement, but the making of men. The ideas for which our institution stands have, without a doubt, been of great influence in the lives of many men. It is an unfortunate affair that so many men go through life in just the ordinary way. Many are inclined to think that only geniuses, or men with some special privileges, succeed. To my way of thinking, success is but a result, of which the four-square man is the cause. But in order that a man may be a four-square man, he must possess the essential qualities, the first of which I should say is **purpose**.

In other words, a man must have vision. Vision, as defined by Webster, is: "The perception by the eye of the intellect." A man of vision is a man of imagination. Imagination is the power back of initiative, the doing of a thing without being told. It is the great creative power of the mind.

The individual without the fully developed imaginative faculty is certain to get into a rut. It is this quality in man that has lifted us from the plane of the savage to our present degree of civilisation.

The story of Columbus is familiar to us all: how he endeavoured in vain to interest his country in his plans, and finally succeeded in obtaining assistance from the King and Queen of Spain. He believed the earth was round and, by sailing westward that he would discover a passage to India. Columbus was a man of vision—a man of purpose, and to his memory we owe our everlasting obligations.

Contemplate the developments in science, art, literature, religion and inventions during the last century. Galileo, the mathematician and natural philosopher, stood in the tower of Pisa watching a chandelier sway to and fro, and discovered the law of the pendulum; he invented the telescope and studied the inter-relation of the planets. Newton, seated in his back yard, saw an apple fall to the ground and thereby discovered the law of gravitation. Watt, watching the tea-kettle, discovered the possibilities of steam. Comparatively recent inventions—the telephone by Bell, the telegraph by Morse, the cable by Field, the wireless by Marconi, the automobile, the air-ship—all these are the results of constructive imagination.

Think of what the railroads have done for this country. Had it not been for men like Hill and Harriman our system of stores would not have been possible. Consider what electricity has accomplished, what the development, in agriculture, mining and irrigation have been. Think of the subways of New York, London and Paris, of the Hudson and East River tubes. These inventions were not by chance but because someone thought; that is, used the constructive imagination.

Now, think of a man in his primitive state dwelling in caves, living in the open, subsisting on roots and herbs, hunting and fishing, clothing himself from the skins of animals, carrying his possessions as he moved on foot and horseback. What a change in a few hundred years and what an incentive for us to use our powers of constructive imagination!

You must have an objective. If you were going to San Francisco, you would not take a Portland train. Nor could you reach your objective by such means. Imagine yourself on a ship without a compass, or a train without a track, or an automobile without a steering gear. You would not feel safe in any of these instances. Yet, how many men are drifting, and are human derelicts floating on the sea of life with no objective in view.

The mind, feelings, physical body are divine gifts, and the man who fails to make use of these gifts is the man of no purpose.

The second essential quality is that of **integrity**, from the Latin word **integer**, meaning whole. Hence, an honest man is a whole man, not a fraction of a man. He is not one thing above the line and something else

below the line, not one thing at home and something else away from home, but a whole man.

I do not mean to apply this to the handling of money alone. Some men think so long as they get by, or keep out of gaol, that they are honest. A man of integrity is a man of sterling worth; a man of character; a man whose word is as good as his

bond; a man who would not think of taking a minute of time that did not belong to him; a man honest with himself. Franklin and Lincoln were such men; men whose names are immortal and whose lives are an inspiration to thousands of men.

My father used to say that he never aspired to be rich; but he wished that when life was over, people in passing his grave might say: "Here lies an honest man." This statement of my father has had a tremendous influence on my life.

The moral grandeur of independent integrity is the sublimes' thing in nature: so if a man is a man of integrity, a man of purpose, he is well on his way to the four-square man.

But, even though he possess these two essentials, they are of but little use if he is not a man of **service**.

Service, now, is coming to be one of the biggest words in the English language. It is inspiring mothers to give up their sons; men to give their lives. And for what? In order that the rights of the people shall be established, rather than the divine right of kings. It is demanding all that one is (not merely all that one has) shall be at the other's disposal.

Life's greatest pleasure and satisfaction is found in giving: and the greatest gift of all gifts is that of one's self. You cannot render service if you are selfish or jealous, or not willing to sacrifice. How we admire the individual who is thoroughly unselfish, who thinks of the other fellow before he thinks of himself. How much more pleasure man gets out of life, who "gives before he gets." How we cherish the memories of our mothers, whose lives were filled with sacrifices.

Very often someone says: "What's the use? People do not appreciate what you are doing. After one is dead and gone, one is soon forgotten."

Do you think I will ever forget my father? Didn't your mother stint herself and make sacrifices in order that you might have advantages which you could not otherwise have had? My parents did, I know. I shall never forget the many sacrifices my parents made for their children.

The fourth side of the square has to do with a man's soul, and for that reason is most important of all. In reality these bodies of ours are only leased to us for a term of years. We should so live that it may be said of us: "The world is better for his having lived."

Such an individual is in **Tune with the Infinite**. He is not only happy, but he makes others happy. He has faith—faith in God—love for his fellow-men. He is charitable, which enables him to see the good in folks instead of their faults. Just as each member of an orchestra will tune to a certain pitch before playing, so a man each day should tune to The Infinite in order that his ideals may be high and right:

A good motto to follow is found in the words of Henry Van Dyke:

"Be a breeze from the mountain height;
Be a fountain of pure delight;
Be a star serene, shining clear and keen
Through the darkness and dread of the night;
Be something Holy, and helpful, and bright;
Be the best that you can with all your might."

WHAT HAS WAR DONE TO FREEMASONRY?

—•—•—◆—•—•—
THE SPIRIT STILL LIVES ON.

Addressing the Supreme Grand R.A. Chapter Convocation of Freemasons on Wednesday, 30th January, 1946, at Perth, Western Australia, the Deputy First Grand Principal (M.E. Comp, A. W. B. Gleadell) after referring to the war and Freemasonry asked: "What are Freemasons going to do about it?"

Quoting from an article by M.W. Bro. Charles H. Johnson, Grand Secretary and Past Grand Master, of New York, M.W. Bro. Gleadell said:—

"When great crises arise in the world, members of the Masonic Fraternity often ask: 'What are the Masons going to do about it?' and this question has been asked many times during the last few years.

"There is, however, another side to the question. That is, what has the war done to Freemasonry? It should be borne in mind that the recent war, which may be considered as a battle between totalitarian and democratic

governments, has also been an anti-masonic war. The three ruffians, Hitler, Mussolini and Hirohito, were all enemies of Masonry.

"While Freemasonry may be only an incident in the whole plan of democracy, it has nevertheless been an incident of considerable importance in the minds of these three ruffians. It was usual for them, soon after the invasion or occupation of a country, to forcibly close every Masonic body and meeting-place in that country. As a result, in every European country except Switzerland and Sweden, Masonry as an organisation has been completely eliminated.

"Early in his career, the Italian Dictator closed Lodges in Italy. Early in his career the German Dictator did the same.

"In Vienna, the Grand Master, who was a sick man, died as a result of physical hardships inflicted on him, and a similar fate befell the Grand Master of Greece. In Czechoslovakia, the Freemasons were forewarned, and were able to save some of their equipment. In fact, at least one Czechoslovak Lodge composed of refugees was able to meet in London. In Rumania the Freemasons 'dissolved voluntarily.' In Denmark the Nazis were quite considerate and allowed the Dutch Masons to remove their records and equipment from the Temple, which was then used as a Gestapo headquarters. Denmark is a very fertile country and was able to supply large quantities of foodstuffs. The Germans were in desperate need of all the food that the Danes could supply, and as a result were extremely careful not to tread on Danish toes, and did not dare risk anything that might interfere with food production. Nevertheless, sabotage was frequent and persistent in Denmark.

"In Norway the Freemasons were not disturbed by the Nazis as much as they were by the anti-Masons among the Norwegians. These created so much antagonism that the Nazis took over the Temple in Oslo and made it into a museum.

"In Spain there has been no Masonic activity because of the intense anti-Masonic attitude of Franco. During the civil war, Masons were executed in many places.

"In France everything belonging to the Masonic Grand Bodies was confiscated and sold. In Holland the same action was taken.

"In Turkey the Grand Lodge was dissolved some years ago by the late Kemel Pasha.

"In Hungary, Masonry was dissolved soon after the first world war, allegedly because some of the Lodges had been active in political matters.

"Thus organised Freemasonry over the greater part of Europe was completely disbanded. There is, however, a distinction between the organisation and Freemasonry itself. It is a definite fact that the organisations were completely outlawed. It is not a fact that Freemasonry, as such, was destroyed. Freemasonry is a point of view, a mental attitude, a matter of the soul. Our Masonic brethren on the Continent had that view of the Craft. While, by dictatorial power, Lodges as such were unable to meet, the brethren undoubtedly got together for friendly association and intercourse.

"In the Pacific area, the Lodges in the Dutch East Indies were under the jurisdiction of the Grand Lodge of the Netherlands. The Lodges in China and Manchuria held charters from England, Scotland, Massachusetts and the Philippine Islands.

"In Japan the Lodges were composed of foreigners, as, by a Government edict, no Japanese could belong to a Masonic body.

"In the Philippines, Lodges were held under a healthy and progressive Grand Lodge. In Malaya and Burma there were numerous Lodges holding English or Scottish warrants. In all those places, Masonic activities were forbidden by the Japanese.

"Although the three ruffians succeeded in all those countries which they overran in destroying Masonry as an organisation, they did not succeed in destroying Masonry as an idea and as a spiritual force; and there can be no doubt that in all the liberated places Masonic organisation will be re-established. It will take time, but Masonry, and all that it stands for, cannot be suppressed."

—"S.A. Freemason."

ATOMIC POWER.

The atomic bomb has at last brought into sharp relief the inescapable conflict between the spiritual and physical worlds. Nothing can now control atomic power, except the regeneration of mankind, and in such regeneration the Masonic principles must take a lead. We must inculcate brotherly love, love our neighbours genuinely, and look upon them not with greed, jealousy or fear. This world must be ruled by kindness, by sympathy, by understanding, by the love of righteousness for its own sake, or it must end in shattering disaster. Man's material discoveries have outpaced his moral progress. The greatest task that faces us today is to bring home to all people, before it is too late, the fact that our civilisation can only survive by the acceptance and practice of Brotherly Love, Relief and Truth. If there is one single word which, more than any other, contains in its meaning the answer to humanity's most pressing problems today, surely it is the word BROTHERHOOD.—"South African Study Circle."

OBITUARY.

W. BRO. A. H. R. HOOD, P.G.S.

Well known and highly esteemed in every Lodge in the Nelson-Marlborough- Territory. W. Bro. Arnold Hood, P.G.S., passed away at his home at Blenheim on 15th August. The late W. Bro. was a P.M. of Wairau Lodge, No. 42, and Sitting First Principal of the Marlborough R.A. Chapter, No. 14. His last Masonic duty was to lead an official visit by his Chapter to Victory Chapter, Nelson, several months ago, and it was while in Nelson that he was stricken by the illness to which he succumbed after a great deal of pain and suffering.

The late W. Bro. Hood, who was sixty years of age, was initiated into Wairau Lodge on 28th February, 1922, and within a year was elected Inner Guard. He was installed as W.M. in 1928, and subsequently served the Lodge as D. of C. and Director of Music. He was invested as Grand Steward in 1940, a popular recognition of long and enthusiastic service. He was a genial and kindly man who translated into his everyday life the ideals of the Order, and his community service was an example to all about him. He had wide interests in public life, but gave special attention to the cause of education. Brethren throughout the Territory extend deepest sympathy to the widow and grown-up family of two daughter's and a son, the latter a member of Wairau Lodge. A Lodge of Sorrow conducted by Wairau Lodge prior to the Masonic funeral was attended by a large representative assembly of the brethren of the district.

KING TUT TOMB EXCAVATOR.

TELLS OF FINDING APRON.

In a recent address on "The Archaeological Origin of Masonry," Dr. O. J. Kinnamon, one of the two survivors of the 22 men who opened the tomb of King Tut, and who spent two decades in excavating tombs and temples in Egypt, said:

"Masonry did not have its beginning in Europe in the seventeenth century. I do not know where or when the principles of Masonry had their beginning. Egypt shows that it came into Egypt in the time of the Pharaohs, maybe from India, and there are signs that it came to India from the continent of Mu."

Dr. Kinnamon related that in 1580 B.C., the ruler of Egypt sought to educate his people, and when he found it was not practical, he summoned a group of young men and taught them personally in his palace, and that a secret order along the lines of Freemasonry was evolved; that in 1200 B.C. other Lodges were formed in other countries, and that in 1000 B.C., Solomon came to Egypt from Palestine to study, married a daughter of the Pharaoh, carried the idea of the Order back to Jerusalem, and built the famous temple. This temple was almost identical to ancient temples found in Egypt.

The speaker described the unwrapping of the mummy of King Tut, and the revelation that when many layers had been unwound from the middle of the mummy they found the Masonic apron.—"Masonic Digest," Calif.

PROSPER THE ART.

The success of a new Lodge moves in ratio to the zeal and assiduity, and the skill and ability which the brethren, individually and collectively, contribute in all the activities of the Lodge.

The first essential requisite from the brethren is regular and punctual attendance at the meetings. This stimulates the enthusiasm of the members generally, promotes a healthy atmosphere in the Lodge, and assures a full consideration of all matters that arise in the business before the meeting.

Finance is another matter of the utmost importance. Each brother should pay his dues regularly at the specified time as per the by-laws and never allow himself to fall into arrears. By so doing the financial executive of the Lodge will be enabled to meet the liabilities as they become due, and if a budget of expenditure has been prepared, and expenses rigidly controlled, then the balance sheet at the end of the year should show a satisfactory result.

By virtue of their appointment, the office-bearers should take pride in carrying out their duties efficiently and with a full sense of the responsibilities attached to their respective offices. They should thoroughly acquaint themselves with the work that is required of them, and so ensure a high standard of service to the Lodge.

The introduction of new members has a far-reaching effect in the development of the Lodge. In the case of initiates, care should be taken to make certain that the candidate is in every way suitable for admission to the particular Lodge of which he desires to become a member, and this responsibility rests primarily on the proposer and seconder of the nominee. The desire to build up the membership should always be governed by the necessity that only good men and true are admitted and then only after a full and thorough investigation has been made. In this way the harmony and happiness of the brethren, and the welfare of the Lodge, will be safeguarded. A different aspect rules in the case of joining members. They have already been approved and admitted. In some cases they may be unattached brethren, and by re-awakening their interest the members of a new Lodge can do good work for the Craft.

The establishment of new Lodges opens up new fields for the propagation of Masonic art. Many people in the world today don't think; some don't think hard enough and others think on wrong lines. The purpose of Masonry is to teach men to think rightly, and not only to think rightly, but also to act rightly, and so to live rightly, and by so doing bring to them the precious gift of wisdom and understanding for their own good and the welfare their fellow men.

Members of new Lodges can do much for Freemasons by endeavouring to give their best in promoting the interests of their Lodge and success in the purpose for which the Lodge was created.

FOOD PARCELS

[Extract from a letter received recently by the District Grand Master of Wellington (E.C.) from the Grand Secretary of the Grand Lodge of England (V.W. Bro. Sydney A. White, M.V.O.), re food parcels for brethren in Britain]

"I feel a little diffident in putting forward my proposal as of course food rationing in this country applies to all, and everyone appreciates a little change in diet. Among the Sovereign Jurisdictions in Australia and New Zealand there has been a growing tendency for Lodges to 'adopt' Lodges in this country bearing a similar name or number. It sometimes happens that the members are connected with a particular profession or occupation where they are in a better position to cope with present-day conditions. If brethren can have a meal at a canteen or restaurant, I do feel they are better off than others who have not such facilities, and my one desire is that the maximum benefit should be derived from the generous gifts from brethren overseas.

"I have been in touch with our Provincial authorities all over the country and have asked them to submit lists of Freemasons and their dependants to whom the gift of food parcel would be of benefit to their health and a relief to their finances. I have the names of a of lot brethren and their families who have returned from the Far East after years of internment, to find home and employment gone, and who are trying to recover lost strength on present-day rations. I have had a list supplied by the Royal Masonic Hospital of patients who are trying to pick up after heavy operations; old annuitants, who cannot stand in queues for food, and widows with growing families."

RESOLUTION.

I will not fail today.

I will not cry my burden is unfair.
Cast it aside and leave it lying there.

I will not say
Soft words of pity to myself, and whine
That others have an easier task than mine.

I will not fail today.
I will not mar this record white and new
By failing to do all that I can do
Let come what may,
I'll do my best with what my hands shall find.
And passing, leave no vain regrets behind.

I will not fail today.
I will not play the shirk or play the cheat;
I will not strain my duty with deceit.
Tho' rough the way
And heavy seem the burden I must bear.
I'll not begrudge to life these hours of care.

I will not fail today.
I may not come to dusk by glory crowned.
But I shall fight my battle, round by round.
And hope shall stay,
And night shall find me, as the day began.
Thu' not a victor, still no less a man.

MARYLAND-1945.

119 Lodges, 32,360 members, a gain of 1724.

Semi-Annual Communication held 15th May, and 159th Annual Communication held 20th and 21st November at Baltimore, M.W. Bro. Daniel Hope, Grand Master, presiding at both.

The Grand Master quoted from the report of a previous Grand Master words which are worth re-quoting frequently:—

"Freemasonry is a charitable, benevolent, educational and religious society, adhering to its own Landmarks. Its principles are proclaimed as widely as men will hear. Its only secrets are in its methods of recognition and of symbolic instruction.

"It is charitable in that it is not organised for profit and none of its income inures to the benefit of any individual, but all is devoted to the promotion of the welfare and happiness of mankind.

"It is benevolent in that it teaches and exemplifies altruism as a duty.

"It is educational in that it teaches by prescribed ceremonials a system of morality and brotherhood based upon the Sacred Law.

"It is religious in that it teaches monotheism, the Volume of the Sacred Law is opened upon its Altars whenever a Lodge is in session, reverence for God is ever present in its ceremonial, and to its brethren are constantly addressed lessons of morality; yet it is not sectarian or theological.

"It is a social organisation only so far as it furnishes additional inducement that men may foregather in numbers, thereby providing more material for its primary work of education, or worship, and of charity.

"Through the improvement and strengthening of the character of the individual man, Freemasonry seeks to improve the community. Thus it impresses upon its members the principles of personal righteousness and personal responsibility, enlightens them as to those things which make for human welfare, and inspires them with that feeling, charity or goodwill toward all mankind which will move them to translate principles and conviction into action.

"To that end, it teaches and stands for the worship of God: for truth and justice; for fraternity and philanthropy; for enlightenment and ordinary liberty, civil, religious and intellectual. It charges each of its members to be true and loyal to the lawful government of the country to which he owes allegiance and obedience to the laws of any State in which he may be.

"It believes that the attainment of these objectives is best accomplished by laying a broad basis of principle upon which men of every race, country, sect and opinion may unite rather than by setting up a restricted platform upon which only those of certain races, creeds and opinions can assemble."

The average membership of the 38 Baltimore city Lodges was 490, only one having less than 200 members, and the largest having 1038.

Recognition was extended to the Grand Lodge of Tamaulipas, Mexico, but recognition of the Grand Lodge of Peru, granted in 1939, was suspended in view of information that its affairs were in a very confused and deplorable condition.

A portion of the Grand Master's Report at the Annual Communication throws some light on the American *system*, which entails in some States meetings lasting two to three days. It read:—"At the semi-annual Communication, reference was made to the hour at which we arrive at the business of the session. It has been customary in the past to listen to the reading of multitudinous reports of committees, consuming much valuable time. I instructed the Grand Secretary to have all committees report by November 1st. and to have these reports printed and distributed for your perusal. No reports will be read except those offering recommendations for action by the Grand Lodge. The election of officers will likewise be changed. A ballot will be printed listing the names of all candidates for offices for which there is a contest. Tomorrow evening, immediately after calling on, the members of this Grand Lodge will vote the entire ballot at one time. Tellers will retire and count the ballots and when the tally is complete return with the ballots and the tallies to the Grand Secretary's desk. The Grand Secretary will announce the vote at the proper time."

2262 brethren were raised. 105 affiliated, 151 reinstated, 629 died, 77 withdrew and 87 were suspended. There were 31 men and 76 ladies in the Masonic Home.

The conditions for recognition of other Grand Lodges adopted on the recommendation of the Committee on Foreign Relations were as follows:—"1. That said Grand Lodge can trace its lineage to one of the Grand Lodges of the British Isles or if its formation was merely irregular as distinguished from clandestine, it can meet the requirements of Paragraphs 3, 4, 5 and 6 of this Resolution. 2. That such Grand Lodge has been formed lawfully by at least three just and duly constituted Lodges by action of this Grand Lodge or from a Grand Lodge in fraternal relations with this Grand Lodge. That it is an independent, self-governing, responsible organisation with entire, undisputed and exclusive dogmatic and administrative authority over the Symbolic Lodges within its jurisdiction: and not in any sense whatever subject to or dividing such authority with a Supreme Council or other body claiming ritualistic or other supervision or control. 4, That it makes Masons of men only. 5. That it requires conformity to the following:—(a) Acknowledgment of a belief in God the Father of all men. (b) Secrecy. (c) The Symbolism of Operative Masonry. (d) The division of Symbolic Masonry into the three degrees. (e) The Legend of the Third Degree. (f) That its dominant purposes are charitable, benevolent, educational and for the development of a sincere reverency for God as the Father of all men; and that it excludes controversial politics and sectarian religion from all activities under its auspices. (g) The indispensable presence in the Lodges while at work of the Holy Bible. Chief among the Three Great Lights of Masonry. 6. That it occupies exclusively its territorial jurisdiction or else shares the same with another Grand Lodge by mutual consent: and that it does not, presume to extend its authority into, or presume to establish Lodges of such supreme governing Masonic body."

TASMANIA-1945-46.

50 Lodges. 5122 members, a gain of 425.

Half-yearly Communication held at Hobart, 25th August, and 55th Annual Communication held at Launceston, 23rd February, M.W. Bro. H. V. Biggins. Grand Master, presiding at both meetings.

In its Report the Board of General Purposes said:—"In response to a request to modify the Grand Master's instructions for the due governance of Lodges regarding what is called 'Past Masters's Nights.' in the direction of allowing the Master to vacate the chair pro tem., the Board, without dissent, decided that except where the Constitutions provide that the Grand Master, his Pro or Deputy, may preside, or the Installing Officer at an Installation, the Master, if present, must retain his Chair so as to preserve the regularity of the proceedings. It is therefore necessary for every Lodge to conform to this ruling."

The Board of Benevolence granted financial assistance to distressed brethren, their widows and families to the extent of £1293/5-.

There were 363 initiations and 110 affiliations. 71 deaths. 89 clearances and 3 exclusions.

Two new Lodges were consecrated. In reporting this the Grand Master said: "The consecration of three new Lodges during 1945 should suggest, I think, to some of the larger Lodges that the purpose of Freemasonry

might be more effectively served by the establishment of more new Lodges. With large numbers of men seeking admission to the Craft this step is highly desirable for obvious reasons, which I shall not enumerate. For the essential work of educating and training our members in the principles of Freemasonry so that the Craft may translate its teachings into positive action in the community such a step is necessary."

315 Lodges. 31,330 members, a gain of 3051.

158th Annual Communication held at Raleigh. 6th and 7th November, M.W. Bro. Julius C. Hobbs, Grand Master, presiding.

The Communication had been postponed from April.

2793 brethren were raised. 608 admitted, 656 reinstated. 5 expelled, 106 suspended N.P.D., 373 withdrew. and 522 died.

Four Lodges were consolidated into two. A Charter was granted to a Lodge which had been working under dispensation.

During 1944 Fifty-year Emblems were delivered to sixteen brethren.

There were 62 guests in the Masonic and Eastern Star Home, and \$1567 were expended on "Home Aid" for 14 others.

The number in the Oxford Orphanage was not stated.

M.W. Bro. Edward J. Allen, Foreign Correspondent, explained their reasons for not providing Reviews that year. He quoted from a letter written by a brother connected with the American Embassy at Athens as follows:—"The Germans made every effort to kill the organisation of 'the terrible free thinkers.' They held the leaders in prison for several months; they seized the property of the Lodges; they destroyed the archives and the libraries; and they carried off or destroyed literally every piece of furniture and Lodge equipment. The Masonic Temple is absolutely barren and in great need of repair. When the Germans released the leaders of Masonry they would not allow the former Masons to gather in any way. This effort of the Germans, however, failed utterly. The Lodges met informally at the homes of Masons, and in Greece, so far as I can tell, are ready to reopen in so far as the members are concerned. The effort to examine the records of the Masons during the occupation has been completed. Very few, if any, Masons collaborated with the Germans.

...

There seem to be a few individuals of whom there is no trace. . . .

"The Grand Lodge and the Grand Council meet every fifteen days in the homes of the various men. They tell me that of the twenty Lodges in the Athens and The Piraeus area all are ready to reopen as soon as they have a Temple in which to meet. The Lodges in Salonika are presumably in about the same condition. The members gather and the Masters are active, but the meeting places are either destroyed or are occupied by refugee families. The Lodges in the provinces do not fare so well. The condition of the people in the outlying districts is still deplorable."

THE MASTER BUILDERS OF OUR MASONIC TEMPLE.

[This was the last article written by the late W. Bro. Suesskind Kramer. P.D.D.G.C.. Fellow Philaethes Society, prepared a few days before his lamented death on 10th May. The typescript was found by his side when he died and was handed to the editor for publication.—Ed. M. J. and W. of S.A.1

"Isn't it strange that princes and kings,
And clowns who caper in sawdust rings,
And common people, like you and me,
All are workers for eternity.
To each is given a bag of tools,
A shapeless mass and a book of rules.
And each must make e'er time is flown.
A stumbling block, or a stepping stone."

—Tamar Faed.

The true and conscientious Mason must build the Masonic structure according to plan. The draft and plan are clearly set out on the blue-print before him; all raw materials are ready and available for the construction.

The greatest assets to the Master Builder are his working tools. The average Mason does not always realise that even with the best of raw materials available, and the most perfect tools at his disposal, he must fail in the building of the structure unless he is efficiently skilled in the use of his working tools, and is well versed in the art of reading the blue-print, in order to follow the draft and plan to the last minute detail. When laying the foundation stone, the builder must already concentrate on the setting of it, with such firmness, tenacity and grip, in order that the edifice he intends to erect will stand firm, sound and solid, and consequently every stone, every brick, laid in the construction of the building must be set according to the exact mathematical calculation and geometrical design of the architectural plan.

When we realise that such skilled efficiency is required in operative Masonry, we then begin to understand how much more essential, and of still greater importance, it is for the Freemason to be well skilled in the art and science of speculative Masonry.

Freemasonry, not being a material subject, is actually a spiritual science, a science of the soul, and as such the raw materials and the working tools are of a similar nature, so in order to succeed in building our spiritual temple, we must use our raw materials and apply our working tools with a spiritual exactitude.

In speculative Freemasonry, the spiritual science is the crystallised substance that creates the motive power in the desire and anxiety to build. This is the attitude which must prove the distinguishing characteristic of the true and conscientious Freemason. The source and reservoir of motive power comes from intense and emotional desire, the extent of the energy, determination, force and tenacity depends entirely on the ambition and aim pre-determined by the strength of the desire in the individual concerned. The impulse that moves a person to do something is activated by his desire, in a particular direction, yet, paradoxical as it may sound, due to the fact that human nature being what it is—desire, itself, springs from a "spiritual self satisfaction." Clemens says that. "There is only one impulse which moves a person to do things, that sole impulse is the impulse to content his own spirit. The necessity of contenting his own spirit and winning its approval. The act must do him good first, otherwise he will not do it. He may think he is doing it for the other person's sake, but it is not so, he is contenting his own spirit first, the other person's benefit has to always take second place. There is but one law, one source of men's acts. Both the noblest impulses, and the basest, proceed from that one source. This is the law, keep it in your mind; from his cradle to his grave a man never does a single thing, which has any first and foremost object, but one—to secure peace of mind, spiritual comfort for himself. He will always do the thing which will bring him the most mental comfort—for that is the sole law of one's life, always, spirit contenting reasons."

So we find that the basic principle in one's desire is the spiritual self satisfaction which creates the necessary emotional power and anxiety for such desire to succeed in its aims and objects. Pure spiritual contentment in relation to your fellow man rests entirely in a clear conscience, just as a clear conscience is derived by acting justly and morally towards your fellow men.

To succeed in the attainment of the happy feeling of a spiritual satisfaction, one must equip oneself with the necessary education and knowledge, which is so essential to such conquest, for our resistance towards evil depends on the extent and measure of the ignorance still left in us. It is education, knowledge and enlightenment that creates character, and it is character that controls, rules and dominates our actions in all circumstances and environments, in our human relationship.

The speculative Mason., as a master builder, must therefore use and apply his working tools strictly in conformity to our Masonic rules and laws, all of which assist in the uplift of the distinguishing characteristics of the true and conscientious Freemason.

In a spiritual sense, the master builder who really understands Freemasonry., as a progressive science, will use the raw materials and employ his working tools in a scientific manner. Thereby he embodies the power of creation. It is such master builders who are able to make use of all material matter as the connecting link, which binds the self spiritual satisfaction together with our daily actions in our human relationship.

Freemasonry, as a scientific philosophy of life, possesses all the raw materials that are required for the construction of our Masonic edifice. It provides at our disposal the very best and scientifically prepared working tools, and Freemasonry, therefore, demands the very best craftsmanship in the way of building we can produce.

We often see that brethren fail in the construction of their Masonic edifice, and we are frequently asked, wherein lie the difficulties confronting the builders in the erection of such edifice? Why do they fail in their attempt, in spite of their best intentions?

There is only one answer to these questions. It is due to the regrettable and most disturbing fact that those builders, though they have passed the entered-apprenticeship, and Fellow Craft stage, as well as being qualified Master Masons, have failed to make their "daily advancement in Masonic knowledge," in the speculative part of our Masonic science.

As far as Freemasonry as a way of life is concerned, the second verse of the poem in the heading of this essay proves the actual result according to the knowledge and ability of each brother based on his scientific knowledge of the Craft for:—

"To each is given a bag of tools,
A shapeless mass and a book of rules,
And each must make e'er time is flown,
A stumbling block, or a stepping stone."

THE GREAT TASK AHEAD!

"We have a great task in front of us!" said the Grand Master (M.W. Bro. Dr. J. S. Battye) addressing 300 brethren at the Boulder at a recent Grand Lodge Communication. We have had to set our minds and our hands to overcoming of intangible enemies of civilisation; those that are obstacles to peace. Can we feel that in spite of all that has gone past we still have to live with the same degree of hate as we have shown, and shown rightly, during the period the war was going on? We have a great task in front of us, and that rests not upon leaders of this community alone, nor upon the peoples of all communities, and the representatives of Allied leaders alone; it rests upon the leaders of other countries as well. The world cannot live and be continually at war. If it continues in that state then goodbye to civilisation that has been built up. If we can in all wisdom and understanding ask the G.A.O.T.U. to sustain and uphold us, to teach us to do those things that are right, then I think we have some hope of bringing about that universal brotherhood and universal peace which is the basis of Freemasonry, and for which every Freemason strives to obtain and cherish in his heart. The times ahead are going to be intensely difficult, and we will not surmount them unless we set our minds to the task. We have fought and won on the battlefield, now we have to win on the field of peace, which was much more important than in the field of battle. In battle men have made their sacrifice and done what they could. In the world of peace men have to live, not to die, and it is for them and us to learn how to live, just as our soldiers learnt how to die. Their sacrifice was great; let our sacrifice be not less than theirs. We have to prevent another war taking place, or be faithless to them. They died that their children should never have to face what they faced. We live in order to keep their faith. Our desire should be to break down national barriers and to make men live in peace and happiness; to give freedom and liberty to every man; the opportunity for leisure and education and advancement; to do all things that are intangible things which lead nearer and nearer to the realisation of the great aims of the Prince of Peace to bring happiness and the salvation of the human race."—"S.A. Freemason."

THE FUTURE.

The termination of the war and the decision of the Grand Lodge to consider petitions for new Lodges is one that every right-thinking Craftsman will hail with delight, since the formation of new Lodges will undoubtedly strengthen the Craft in this jurisdiction.

It is, however, necessary to pause and reflect on the objects of the Craft in its primary object of dealing with the individual. The principles enunciated in every degree call for a united effort on the part of all to make each of its members a better man, a man with broad vision and purpose, a man strengthened with a desire to spread those character-building habits inculcated by our teachings.

If the individual does not take the advantage of Masonic instruction; if he does not profit by its teachings. then he has certainly had Masonic privileges, but does not possess Masonic virtues. A very difficult task lies ahead of those controlling the destinies of the Lodge in that they should use their endeavours to build up the tone of the Lodge to such an extent that the Masonic virtues of the members will be at the highest level.

The total standard of excellence achieved by the members of the Lodge reflects the success or failure of the Lodge to instil the precepts and obligations of duty, which, if obeyed and carried into effect, enhance the prestige of the Craft wherever it is functioning.

We are apt, at times, to judge the institution by the material prosperity and numerical strength of Grand Lodge, and place too great a value on them rather than on the individual. The strength and prosperity of Grand Lodge may be made to look spectacular, but the real progress in the Craft is made by the quiet, steady and untiring progressive growth of character among its members and the growing influence of right conduct outside the Lodge, influenced by the teachings within.

Humanity is urging, is crying out, is craving for the restoration of all those moral principles which are derived from the sacred teachings of the Divine Law-giver.

This, then, is our duty, to carry into effect those engagements which as Freemasons we consider as sacred ties, and thereby strengthen our influence in each walk of life.—"N.S.W. Freemason."

AUCKLAND NOTES.

(South Suburban Group.)

A well-attended and highly successful function was held at an emergency meeting of Lodge Papatoetoe, No. 227, on 29th August, at which the Masters of the seven Lodges forming the Southern Group of the Auckland Provincial District conducted the ceremony of the Third Degree. W. Bro. Frank E. Carr, W.M. Lodge Papatoetoe, No. 227, presided, and he was assisted in the ceremony by the W.Ms. of the sister Lodges, who occupied the various chairs. After the ceremony, W. Bro. Frank E. Carr asked V.W. Bro. Tustain, P.G.L., to present a Gavel to Bro. M. MacKenzie, W.M. Lodge Papakura, No. 56, which is to be known as the Blakemore Gavel. This gavel will at each meeting of the group be presented to the Master who will call the next combined meeting. After the ceremony a scroll (provided by W. Bro. J. J. Blakemore) was signed by those participating in the ceremony, and will remain in the custody of Lodge Papatoetoe until February, 1947, when it will be passed on to Lodge Papakura, No. 56, for further signatures. Several visiting Masters from Auckland city and suburban Lodges were also present.

The above meeting of the seven Lodges is the outcome of a successful meeting, organised by W. Bro. J. J. Blakemore, P.G.O. (Lodge Manurewa, 222), at that Lodge in February, 1946, at which the scheme was suggested as one which would bring the brethren of the Lodges into closer companionship with one another, in that a fully representative reunion meeting would be assured, from the fact that every Lodge will be definitely associated with the ceremonial work. The idea was received and adopted with enthusiasm by the brethren, and judging by the splendid meeting at Papatoetoe, these functions bid fair to being looked forward to and long afterwards remembered by all who attend.

THAMES NOTES.

The Corinthian Lodge, No. 1655. E.C., held its Installation meeting in the Masonic Temple, Martha Street, Thames, on Saturday, 31st August, when Bro. J. Verran. S.W., was installed by W. Bro. J. G. Williamson, I.P.M., assisted by W. Bro. C. H. Jenkin. D.G.Sec. The Deputy District Grand Master. W. Bro. T. D. B. Hay, addressed the Master. The Wardens were addressed by W. Bro. J. S. C. T. D. B. Hay, Deputy D.G.M., and A. E. V. Edwards, P.D.G.D., whose birthdays fell on the day of the Installation. A very pleasant evening came to an end with the Tyler's Toast.

HAWKES BAY NOTES.

The 38th Annual Convocation of Rawhiti R.A. Chapter, No. 30, was held at the Temple, Dannevirke, on 7th September. The attendance compared most favourably with previous similar functions, strong contingents being present from Victoria, Heretaunga, and Bedford Chapters. The fact that Wanganui, No. 23, held its Annual Convocation the same evening to meet the convenience of the M.E. the Grand Z. precluded the attendance of the usual representation from the Ruapehu district. Among the many apologies for unavoidable absence were those of M.E. Comp. W. H. Sandford. P.G.Z., R.E. Comp. L. J. Hunter, G.H. (Levin), and R.E. Comp. L. N. Ritchie. G.J. (Raetihi). R.E. Comp. T. Rowe, Grand Supt. of the H.B. District, presided, and associated with him were V.E. Comp. E. Cline-Little and V.E. Comp. Ken. Gillespie, P.G. Swd.B. E. Comp. S. H. J. B. Eaton was enthroned as Z. by the Grand Supt. and addressed by M.E. Comp. R. A. Gillespie, P.G.Z.; E. Comp. Simon MacKenzie was inducted as H. by V.E. Comp. Little and addressed by R.E. Comp. C. J. Hansard, P.G. Supt. E. Comp. F. R. Bullick was inducted as J. by V.E. Comp. Ken. Gillespie, the address being given by V.E. Comp. J. Newton. P.G.D.C. The office-bearers for the year were invested by V.E. Comp. J. A. Slater and were addressed by M.E. Comp. John Hobson, P.G.Z. The address to

the Companions was delivered by R.E. Comp. Walter Dobson, P. Depute G.Z. R.E. Comp. E. E. Bott, Depute G.Z., who was to have assisted with the ceremonial work, was unable to be present owing to indisposition. After the close of the ceremonial proceedings a very happy hour was spent in the refectory, where the newly-installed Z. received many congratulations on his accession to office. Among the visiting Companions was V.E. Comp. D. J. Gardiner, who was First Principal of Rawhiti, No. 30, in 1917, and is now an active member of Horowhenua, No. 63. He was very warmly welcomed on the occasion of his first visit to his mother Chapter after an absence of many years.

TARANAKI NOTES.

At the last meeting of Patea Kilwinning Lodge, No. 18, a Second Degree was worked, and a ballot was taken for the son of our worthy Prov. G. Master.

At their recent meeting Ngamotu Lodge, No. 45, raised a candidate. Two candidates are waiting for initiation, and two for raising. This Lodge also held an "emergency" to pass a brother on behalf of St. Andrews Lodge, No. 8.

St. John's, No. 95, Eltham, at their last meeting had two initiations and an official visit from the Prov. Grand Master and G.L. officers to welcome R.W. Bro. A. Bullock, Prov. G.M., Waikato.

The August meeting of Lodge Moa, No. 110, was of unusual interest, there being a very large number of both members and visitors present. A "First" was worked. The W.Ms. of both Ngamotu and Stratford were present with their officers. After the degree work a very interesting and forceful address was given by R.W. Bro. Rev. A. Niblock, P.G.Lect., on the First Degree.

At their September meeting Lodge Kaponga, No. 208, received a visit from Lodge Ikaroa and on their behalf raised Bro. E. J. Young. This brother is one of the third generation of "Youngs" in Lodge Ikaroa, his father and grandfather both being P.Ms. of the Lodge. A ballot was also taken.

Lodge Te Henui, No. 281, is rapidly approaching—if it has not already attained—premier position amongst the Lodges of the Province. For membership, attendance, interest and enthusiasm, it would be hard to beat. At the September meeting, two ballots were taken for affiliating members and three for initiation. This meeting was also the Installation gathering. The attendance was almost a record for the Province, there being over 200 present, including 61 Past Masters and G.L. officers. The ceremony was conducted by the Prov. G.M., W. Bro. W. T. Simmons and his officers and went smoothly and well.

The last regular meeting of Lodge Manaia, No. 286, was right out of the ordinary. R.W. Bro. J. C. Barclay, P.Prov.G.M., was present with a number of G.L. officers and received R.W. Bro. J. F. Hutchinson, District G.M. Canterbury (E.C.). This R.W. Bro. was suitably received by R.W. Bro. Barclay. The ritual work was the passing of a brother recently returned from overseas service. The highlight of an exceptionally good evening was an address given in the refectory by V.W. Bro. A. Niblock, P.G.L., who always gives the brethren something to think about and ponder over. An emergency meeting was held recently to pass Bro. J. R. Jeromson. This Lodge is also in a very "live" and prosperous condition, as indeed are all the Lodges in Taranaki.

Whangamomona's September meeting was visited by 30 members of Te Henui Lodge, who brought with them two candidates for "passing."

RUAPEHU NOTES.

The Installation of the Wanganui Royal Arch Chapter took place on 7th September, when the Companions were delighted to welcome M.E. Comp. J. A. Stables, Grand Z., R.E. Comp. L. J. Hunter, Grand H., and R.E. Comp. L. N. Ritchie, Grand J. There was a record attendance, all the Chapters throughout the district being represented. R.E. Comp. W. H. Cannan, Grand Supt., conducted the ceremony of Installation of E. Comp. W. V. Tremewan as Z. and the investiture of his officers. A feature of the evening was the presentation of a suit of regalia to R.E. Comp. W. A. Waters, Past Grand Supt., by M.E. Comp. W. H. Sandford, P.G.Z., who paid a glowing tribute to R.E. Comp. Waters for his unfailing interest in and devotion to Capitular Freemasonry during his term of office as Grand Supt.

The Installation of Bro. J. M. Townley as W.M. of Lodge Otangaki, Ashhurst, took place on 28th August. R.W. Bro. J. A. Nash, Prov.G.M., was present, supported by a large team of G.L. officers.

The brethren of Feilding Lodge, under the guidance of the W.M., W. Bro. J. Mennie, are to be commended on their action in sending food parcels to the brethren of Lodge Panmure, No. 299, S.C. This splendid idea of adopting a Lodge in Britain for this purpose is a truly Masonic action and could very well be copied by other Lodges in New Zealand.

The Installation of Comp. W. W. Jones as 1st Principal of the Manawatu Royal Arch Chapter takes place on 19th September, and a large attendance of Grand Chapter officers and companions is expected.

At the August meeting of Lodge Awatea, the W.M., W. Bro. D. W. J. McDowall, invited some of the "floor members" to assist in the ceremonial work, and the way the junior officers and brethren acquitted themselves is a happy augury for the future of the Lodge.

SOUTHLAND NOTES

A very informal yet dignified gathering of members of Grand Lodge assembled at the Eastern Cemetery, Invercargill, on 9th September to deposit in their last resting-place the ashes of the late M.W. Bro. Maurice Thompson, P.G.M., who recently answered a call to the G.L. above. The casket containing, the ashes of our late beloved brother were lowered into the grave by M.W. Bros. E. C. Smith, G.M., and T. M. Rankin, P. Pro G.M., both of whom paid fitting tributes to the wonderful work of our late brother in the cause of Masonry and the world at large.

The Grim Reaper has been busy of recent weeks among members of the Craft in the Southland Territory. Bro. Geo. McKenzie, an old member of Lodge Waihopai, No. 189, and Bro. Rev. R. C. Boyd both answered the call. Lodges of Sorrow were held as a mark of respect. W. Bro. J. Hamilton (P.Z. Wallace Chapter, No. 34k. Bro. Chas. Ellis (Lodge Victoria, No. 147) and Bro. L. H. Sandford (Lodge Waihopai, No. 189) also ceased labour.

Past Principals of Wallace R.A. Chapter, No. 34, with V.E. Comp. Sinclair in the chair, conducted the ceremony of Exaltation at the August convocation. The annual Installation of Principals and the investiture of officers was conducted in the Masonic Temple, Otautau, on 28th September by R.E. Comps. G. H. Brown, Grand Supt., A. Scott, P.G.J., Sydney C. K. Smith, P.G.J., V.E. Comp. J. T. Mosley, G.D.C., and Past Zs.

Excellent attendances are being recorded by Lodge Harvey, No. 49, at its regular monthly meetings. Last month the ceremony of Raising was worked by W. Bro. Geo. McLeod and Past Masters of the Lodge. At this meeting a "welcome home" was extended to returned Services brethren.

Invercargill members of the Dunedin unit of the Red Cross of Constantine were present at the recent meeting of that Masonic unit.

The annual Installation of Lodge Switzers, No. 223, held on 4th September, again attracted a large attendance of members and visitors. The ceremony was conducted by R.W. Bro. J. D. Campbell, Prov.G.M., ably assisted by G.L. officers. The presence of the "ladies" at the festive board proceedings was a feature of this meeting.

Congratulations are extended to the various W. Brethren recommended for Grand Lodge office. As the result of a decision made at the last Annual Convocation of Grand Lodge, the office of G.D.C. instead of Asst.G.D.C_ will be made each year in the future to all Masonic Districts. W. Bro. H. J. J. Pierce, P.Asst.G.D.C., who will be elected G.D.C., has rendered excellent service in the cause of Craft Masonry. His promotion is well merited.

The Installation of Bro. J. W. Martin as W.M. of Lodge Aparima, No. 77, was conducted by the Prov.G.M. and his G.L. officers in the Masonic Hall, Riverton, on 27th August, in the presence of a record attendance of members and visitors. Bro. Martin, the newly-installed Master, who is now residing in Invercargill, intends visiting Riverton each week in order to keep contact with his Lodge.

The action of Lodge Clutha in changing the date of their September meeting so as not to clash with the inaugural meeting of Lodge Gordon, No. 320 (Gore), was greatly appreciated by brethren of both the Otago and Southland Districts.

Lodge Southern Cross, No. 9, at their September meeting passed two candidates from Lodge Waihopai, No. 189. A similar kindly action was exemplified by the brethren of Lodge Fortitude, No. 64, when they "raised" three candidates of No. 189 to the Third Degree.

The matter of assisting with food supplies for Britain is at present being considered by the various Lodges throughout the district.

Owing to absence from Southland of the Provincial Grand Master, the annual Installation meeting of Lodge Mokoreta. No. 63 (Wyndham), held on 12th September, was conducted by R.W. Bro. Jas, Manson, P.Prov.G.M., assisted by G.L. officers. There was a wonderful attendance of members and visiting brethren, fully in keeping with pre-war standards. The Master-elect was Bro. T. W. McGillivray, an old member of the Lodge, and at one time a member of Lodge Southern Cross, No. 9.

The W.M., officers and a good following of members of Lodge St. John, No. 94. journeyed to Dunedin on 21st September to attend a meeting of the Hiram Lodge, No. 46, and worked the Third Degree in the presence of a splendid attendance. Members of this Lodge are endeavouring to revive the system of exchanging visits with other Lodges, and are looking forward to the forthcoming visits of Lodge Taringatura, No. 100, in October. and Lodge Manuherikia Kil., No. 109, Alexandra, in November.

E. Comps. A. F. R. Crawford, A. W. G. McKee and Geo. Hoffman were installed as 1st, 2nd and 3rd Principals of Southern Cross R.A. Chapter, No. 3, on 25th September, at the hands of R.E. Comps. G. Brown, G.Supt.. A. Scott. P.G.J., and Sydney C. K. Smith, P.G.J

OTAGO NOTES.

The Installation of Bro. Robert C. Kilgour as Master of Lodge Palmerston, No. 26, took place on 17th August. There was an excellent attendance, including visitors from Dunedin and Oamaru Lodges. The ceremony was conducted by the Prov. G.M, R.W. Bro. H. Archbold, assisted by officers of Grand Lodge. The Installation supper was set in the Oddfellows' Hall, where an enjoyable time was spent by all. Here the opportunity was taken to pay a tribute to W. Bro. G. B. Smith, P.G.S., who has just vacated the office of Secretary, which he has held with marked distinction for the past 28 years. In proposing the toast. W. Bro. S. E. Smith voiced the gratitude and appreciation of the brethren for the great interest shown over this long period of office. This interest and the energy given to the Lodge had been largely instrumental in promoting and maintaining the general welfare of the Craft in the Palmerston district, and the sound position of the Lodge today was, in no small measure, due to the untiring efforts of the retiring Secretary. As a further mark of their appreciation and esteem, W. Bro. G. B. Smith was made an honorary member in recognition of his valuable services.

Lodge Morning Star, No. 192, held its Installation meeting on 3rd September, when Bro. A. G. Foley was installed (is Master of the Lodge, the ceremony being ably conducted by R.W. Bro. H. Archbold, with the assistance of officers of Grand Lodge. of whom there was a good muster.

The Installation of Bro. Victor H. Baker as Master of Lodge Oamaru, No. 260, was held on 4th September. There was a good attendance to witness the ceremony, duly conducted in an impressive manner by the Prov. G.M. and officers of G.L., including M.W. Bro. W. Lishner, P.G.M., R.W. Bro. H. A. Lamb, P.G.W., and V.W. Bro. T. L. Gillians. G.D.C. A most enjoyable evening concluded with excellent refectory arrangements. The previous regular meeting of Lodge Oamaru, No. 260, was the P.Ms. night when W. Bro. T. A. Harwood (1935) assumed the chair and with the assistance of other Past Masters conducted the ceremony of the Second Degree to the complete satisfaction of those present. The brethren expressed their appreciation and pleasure in having W. Bro. Harwood with them. He now resides in Wellington and came down to Oamaru for the occasion. There was an excellent attendance of brethren present, augmented by an official visit by Lodge Oamaru Kil., No. 82, under W. Bro. Galbraith, R.W.M. Arrangements in the refectory were all that could be desired, consequently all present enjoyed themselves.

R.W. Bro. H. Archbold and several G.L. officers journeyed to Gore on 7th September to take part in the Consecration of Lodge Gordon. They report having had an enjoyable time, and are very appreciative of the hospitality of the Southland brethren.

SOUTH CANTERBURY NOTES.

The Installation Convocation of Timaru R.A. Chapter. No. 15, which was held in the Masonic Temple, Timaru, on 4th September, created considerable interest in the District. The ceremony was conducted by R.E. Comp. F. N. Kerr, G.Supt., assisted by a number of present and past Grand Chapter officers, who installed V.E. Comp. N. P. Nelson as 1st Prin. Z.. E. Comp. C. J. L. Matheson as H., and E. Comp. W. G. Southgate as J. The highlight of the meeting was the visit of M.E. Comp. J. A. Stables, First Grand Principal, who addressed the Companions, and also presented on behalf of the Chapter a Scribe E.'s jewel to V.E.

Comp. W. J. Smith as a token of esteem and appreciation for his long and faithful service. The attendance of both members and visitors constituted a record for the Chapter.

CHRISTCHURCH NOTES.

Corinthian Lodge, No. 321, made its first official visit to the Crown Lodge on 5th September, as besides meeting in the Crown Temple, this is the Lodge which sponsored No. 321 and has also promised complete sets of working tools, which are at present being made. The first regular meeting was held on 10th September, when, after the business was concluded and the Lodge closed. An official visit was paid to St. Augustine, No. 4, as this Lodge has promised No. 321 a Banner, which is also being made.

The members of Corinthian gratefully acknowledge these gifts and the fine feeling of fellowship already observed in the first two official visits, also the offer of work by various Lodges until their own candidates are available. The best wishes of the brethren also go out to R.W. Bro. A. J. Jones and Bro. W. J. Hibbs, two of the members who have been laid aside but are now recovering from their illnesses.

NORTH CANTERBURY NOTES.

The Waimakariri Hurunui Group meeting, held on 31st August at Rangiora under Ashley Lodge charter was an outstanding success. There was a record attendance of brethren from all parts of the district. M.W. Bro. E. C. Smith. Grand Master, R.W. Bro. A. J. Jones, Prov.G.M., and a large number of G.L. officers were in attendance and received a most enthusiastic welcome. During the evening the G.M. delivered a most interesting and inspiring address, which was greatly appreciated by all present. It is pleasing to note that each year our Group meetings get bigger and brighter, which proves that they have been a benefit to the Craft in North Canterbury.

Mairaki Lodge will hold a Past Masters' night in the near future, the first for 25 years, and the Master. W. Bro. Sid. Clements, has arrangements well in hand, and it should be a great meeting. The date will be advised later.

Southern Cross, Ashley and Mairaki Lodges are all busy and have a number of candidates coming forward, which will keep each Master fully occupied for his term of office.

Acacia Lodge Installation is on 12th October. Visitors from town and country Lodges can be assured of a warm welcome.

Amuri Lodge Installation will be held on 11th October. This will be a really good night, and Amuri invites all sister Lodges to attend.

The Group sends best wishes to Bro. Sam and Mrs. Maxwell and hopes they will soon recover from their recent illness.

Kaikoura Lodge is getting ready for the Diamond Jubilee meeting, and the Master, W. Bro. R. Selby-Williams, is working out a scheme to receive and accommodate a very large number of visitors from Canterbury and Nelson and Marlborough Districts. All Lodges will receive due notice about the arrangements later.

Cheviot Lodge has quite a lot of business coming forward, and the Master, W. Bro. R. Williamson, will be kept busy for some time.

The Masters and Pastmasters' Lodge intends holding an important meeting in the Ashley Temple shortly.

NELSON-MARLBOROUGH NOTES

One of the highlights for the month in our Masonic Territory was the annual Installation meeting of Marlborough Lodge of Unanimity, No 106, held on 15th August. There was a very large attendance, all Lodges in the Marlborough District being represented. R.W. Bro. F. Mogridge. Prov.G.M., presided, and with the assistance of his G.L. officers, installed Bro. J. S. Hill as W.M. and invested the officers. The Address to the Brethren was delivered by R.W. Bro. Girling, P. Deputy G.M. The refectory proceedings were of a very high order and the Lodge is fully assured of a happy and successful year. For their first

meeting of the new year, held 10th September, the Lodge had a Father and Son initiation, which is rather a unique event. The new team of officers pleased the large attendance with their splendid working.

Lodge Nelson, 288, met on 21st August, when W. Bro. Allan and his officers had a splendid final meeting for their year, including a very fine attendance from Victory Lodge on an official visit. The annual Installation takes place on 18th September.

The meeting of Southern Star Lodge, held on 27th August, was largely attended, all the city Lodges and also Lodge Forest, which paid an official visit, being represented. The working was a double Third, one of the candidates being a brother of the W.M. The Nelson United Board of Enquiry was received as a body, led by the President. W. Bro. Morley, P.G.P., who during the evening on behalf of the nine Lodges under the jurisdiction of the Board presented to W. Bro. L. W. Lockyer, Treasurer of Southern Star Lodge, a Secretary's Jewel suitably inscribed, in recognition of his thirteen years' faithful service as Secretary of the Board. During the evening many references were made to the efficiency of the work carried out by W. Bro. Lockyer, who in replying thanked the Lodges for their handsome gift and gave some interesting information to the brethren concerning the work of the Board and the necessity for ensuring that every care was taken in proposing candidates.

Wairau Lodge, No. 42, met on 28th August, when two candidates were initiated, one aged 50 and the other on his 21st birthday, being the third generation of the family to join Wairau Lodge.

W. Bro. E. T. Burrough, P.G.D., presided over Lodge Waitohi, No. 111, for the working of the Second Degree at their meeting on 29th August.

There was a large attendance at the regular meeting of Victory Lodge, No. 40, held 12th September, including a large contingent from Southern Star Lodge who paid an official visit. Four E.As. were "passed."

The 72nd Annual Installation Meeting of Trafalgar Chapter, No. 157, S.C., took place on 10th September, when there was a splendid attendance. M.E. Comp. A. H. Boyce presided and was ably assisted by District Grand Chapter officers. M.E. Comp. J. J. Laws, Grand Supt., was in attendance, also R.E. Comp. E. H. Thomson, G.Supt. Nelson and Marlborough District, and Grand Chapter Officers. The principal Officers installed were M.E. Comp. C. W. Kennedy, as Z., M.E. Comp. C. G. Lockyer, H.; and E. Comp. S. R. Grant, J. Victory Chapter was well represented, and following the official ceremony, which was carried out in a most satisfactory manner, the refectory proceedings were most enjoyable.

The Kirkpatrick Masonic Institute, in Nelson, which provides for the fatherless daughters of Masons, has now been in existence for 21 years, during which time some 80 girls have passed through it. When the Matron, Miss U. Allison, was last in Christchurch she met a number of Old Girls of the Institute, who suggested that a reunion should be held to mark this Coming of Age. The suggestion was very willingly taken up by the Board of Governors, and if sufficient girls are able to attend, the Reunion will be held in January, 1947. Accommodation will be provided for the Old Girls at the Institute. Endeavours are now being made to get in touch with all Old Girls, and in an advertisement in this issue brethren are asked to bring the Reunion to the notice of any Old Girls with whom they are acquainted.
